

Use your Yellow Ribbon Program benefits at USCB

Qualifying military veterans and their dependents are now eligible for additional tuition benefits at the University of South Carolina Beaufort, thanks to the University's participation in the Yellow Ribbon Program.

If you're a veteran who is currently not a South Carolina resident, the "Yellow Ribbon Program" can be a great financial benefit.

How can USCB help?

- Local, on-site Financial Aid/Veteran Affairs trained staff will get you started or help you transfer your benefits to an eligible spouse or dependents in your family
- Local, on-site Academic Advisors will help plan your program of study
- Day, evening and Saturday classes in Beaufort and at the gateway to Hilton Head provide the flexible schedule you need.
- Students at USCB become part of the community by attending a USC system university with deep roots in the Lowcountry.

Eligibility for the benefit is determined by Veterans Affairs and is limited to veterans who served in the armed forces after September 10, 2001.
