

UNIVERSITY OF SOUTH CAROLINA BEAUFORT

USCB Advancement encourages students interested in history, government and political science to spend a day at the South Carolina Capitol discussing the role of the state's flagship university system with our legislative delegation.

If you are interested in participating, contact Erica Moore, president, Student Government Association at mooreel@email.uscb.edu or Claire Kuhns, USCB Advancement at vkuhns@uscb.edu or 208.8255. Preference is given to students with an academic interest and SGA Senators.
