NCATE Visits USCB

On February 22nd, 2015, Call Me Mister put on an excellent display demonstrating the value of the program, as well as its overall importance to Beaufort County. The overall presentation had a positive impression on the members on the accreditation team. We were successful in this event and received our accreditation. Members that attended the event were Site Coordinator N'Kia Campbell, and CMM cohort members Ryan Bethea, Corey Hollis, Walter Kelly, and Kwame Thornton.

Vision Statement:

"I am a dedicated Servant Leader who is perpetuating a sorely needed concept - Servant-Leaders as role models in elementary schools. I am devoted to planting seeds of dignity and respect in children and inspiring them to cultivate those seeds producing a crop of unprecedented success. I will teach reading, writing and arithmetic and progress to self-esteem, imagination and determination. Because of my immeasurable promise, not only have I earned your respect, I demand it! A title is only important if ones' character and integrity dictate its use. When you address me, please verbalize my destiny... please do not call me by my first name... call me in reference to my great vision... call me MISTER!"
