

# USCB Call Me MISTER

## March 2015

GUEST SPEAKER

MISTER OF THE MONTH!!

## Music Makes Learning Fun

Ms. Ford, teacher at Whale Branch Elementary School and some of her students attend our weekly meeting. Ms. Ford shared wonderful instructional techniques and strategies to help make teaching fun!! Ms. Ford's students modeled how music and rhythm can help them remember content.

The students demonstrated several different styles of beats and singing talents. Mrs. Ford takes a lot of her time to help her students remember material in fun and exciting ways. Ms. Ford's strategies were very informative. We want to applaud her and her students for the great work! GREAT JOB and THANK YOU!!!

Congratulations to Mister Brooks on becoming USCB's intramural basketball champion!! Mister Brooks has been in the Call Me Mister program for 3 years and seems to be doing everything he can to pursue his goal as an Elementary teacher. Mr. Brooks wants to teach 3<sup>rd</sup> grade. Keep up the hard work and dedication!

"I am a dedicated Servant Leader who is perpetuating a sorely needed concept - Servant-Leaders as role models in elementary schools. I am devoted to planting seeds of dignity and respect in children and inspiring them to cultivate those seeds producing a crop of unprecedented success. I will teach reading, writing and arithmetic and progress to self-esteem, imagination and determination. Because of my immeasurable promise, not only have I earned your respect, I demand it! A title is only important if ones' character and integrity dictate its use. When you address me, please verbalize my destiny... please do not call me by my first name... call me in reference to my great vision... call me MISTER!"
