UNIVERSITY OF SOUTH CAROLINA AT BEAUFORT

## USCB CALL ME MISTER

### Presidents Message

I would like to say that it is a good feeling to see that our cohort at the University of South Carolina Beaufort is growing. We have to continue to honor the traditions that have been set in place by those prior to us. It is such an honor and privilege to be a member of a great organization. I want to say that as I move on in my education career that our cohort continue to get stronger. It is not everyday that you meet someone in your life that you can truly call a brother. My wish for this program is that we treat this as a fraternity so that we can always be a part of each others life now and in the future. Remember that, "blood makes you related, but loyalty makes you family!"

Mister McMillon  
USCB  
CMM Cohort President

## CALL ME MISTER VISION STATEMENT

"I am a dedicated Servant Leader who is perpetuating a sorely needed concept - Servant-Leaders as role models in elementary schools. I am devoted to planting seeds of dignity and respect in children and inspiring them to cultivate those seeds producing a crop of unprecedented success. I will teach reading, writing and arithmetic and progress to self-esteem, imagination and determination. Because of my immeasurable promise, not only have I earned your respect, I demand it! A title is only important if ones' character and integrity dictate its use. When you address me, please verbalize my destiny... please do not call me by my first name... call me in reference to my great vision... call me MISTER!"

If a child can't learn  
the way *we* teach,  
maybe we should  
teach the way *they*  
learn.
