

CHATTING WITH BUSINESS ALUMNI

Our Invitee for Spring 2024

April 1st at 3:30 PM through Teams

I am Thomas Mull, and I graduated from USCB in Spring of 2022. I received a degree in Business Administration with a concentration in accounting. After I graduated from USCB, I immediately moved to Greenville, SC, to attend a summer internship with EY. My internship went well, and I signed up to start with EY Greenville after my graduate school program. I attended the Masters of Professional Accountancy program at Clemson, worked through my four CPA exams, and got married within 12 months after graduating from USCB. After graduation, I worked a few temporary positions in internal accounting and as an anti-money laundering forensic financial analyst before finally starting full-time with EY this past January. I am currently in the process of settling into my new role, and I look forward to the questions and discussions that we will have during our chat.
