LEADERSHIP & CURRICULUM EXPERIENCE

Medical University of South Carolina, 2020-2022

Co-interim Assistant Dean Responsibilities, College of Nursing, (Aug 2021- Aug 2022)

Evaluation of faculty. Management of student and faculty issues/concerns. Member of executive leadership team, strategic planning for College of Nursing. Recruitment, retention, progression. Assisting with workload assignments, adjunct needs. Hiring needs of the program, interviewing, and follow-up. Resource for faculty and adjuncts.

Advanced Leadership Program Cohort Member, Medical University Health System, (Aug 2021-March 2022)

ABSN Curriculum Development & Revision Lead, College of Nursing (2021- Ongoing)

RN-BSN Lead Faculty, RN-BSN Program, College of Nursing, (2020 - 2022)

Teaching and leading in RN-BSN. Responsible for program, faculty, students and adjuncts. Supervision of the RN-BSN program to ensure alignment of courses with accreditation standards, course outcomes, and College of Nursing program outcomes. Involvement with course scheduling, workload and management of issues and concerns. Faculty mentoring/development, faculty meetings, recruitment, retention, program outreach to communities of interest and recruitment partners.

Westminster College, 2008-2020

Director Undergraduate BS Nursing Program, 2015-2020

Responsible for undergraduate nursing program, faculty, students and adjuncts. Curriculum development and ongoing management, accreditation, scheduling, workload assignments, management of concerns and issues. Faculty development, faculty meetings, faculty appointments, admissions/progressions, advising, teaching. Acquisition and maintenance of clinical relationships and community partnerships. Recruitment, retention, budget, and NCLEX pass rates.

Curriculum Development/Redesign Committee (Chair), 2011-2018

Lead faculty in the creation and design of an entirely new curriculum. Altered from a five-semester program to four semesters (remaining credit neutral), development of all new courses including syllabi, outcomes, clinical experiences, and classroom strategies. This process involved extensive research, review, conference attendance, expert opinions/input, and collaboration with faculty across the campus including significant organization and teamwork with the faculty in the school of nursing and health sciences. As a result of this change, there were improved NCLEX pass rates, courses were streamlined, courses were offered every

semester, and there was significant improvement in readiness for practice and overall preparation of the graduates for practice in current healthcare systems.

CCNE Accreditation Preparation of Self Study: Faculty Lead

Assigned with primary responsibility and organization for standards 3 and 4. Successful completion of BSN accreditation report and successful evaluation from accreditors [Spring 2018]. Received a final accreditation report with no areas that were unmet, no standards that needed to be addressed or updated. In the Fall of 2018, we were awarded an unencumbered full 10-year accreditation.
