### Identity Confirmation Verification

Students have the option to verify their identity either in person at the University of South Carolina Beaufort or via a Microsoft Teams video call with a university financial aid representative, should the institution determine that an in-person appearance is not feasible. During this process, the student must present an unexpired, valid, government-issued photo identification, which may include a driver's license, a state-issued ID, or a passport. The university will maintain a copy of the student's photo ID, annotated with the date it was received and the name of the official authorized to collect it.

*By signing this document, I certify that all the information reported on it is true and accurate. If I purposely give false or misleading information on this document, it will be cause for denial or repayment of financial aid, and I may also be fined, sentenced to jail, or both.*
