

## 2026-27 Family Size Clarification

According to our records, your parent(s) listed a marital status that was inconsistent with their reported family size. The *Free Application for Federal Student Aid (FAFSA®)* form will ask for an individual's family size. Family size can include:

- For a **dependent applicant**, include the parent (and spouse or partner), the student, the parent's dependent children (even if they live apart because of college enrollment), and other people living with the parent now. Include these dependent children and other people only if the parent will provide more than half of their support between July 1, 2026, and June 30, 2027, of the award year covered by the FAFSA.

\*Unborn children cannot be included in the family size.

**Instructions:** This form must be completed by the parent on the FAFSA and signed by both the student and the parent.
