Number: 305

1. Faculty applicants for yearlong programs (Fulbright and other opportunities) shall be tenured.
2. Faculty shall be compensated according to the sabbatical model, contingent on budget availability. Because the granting of sabbatical leaves is dependent on the budget, workloads, and other considerations, it is a matter of administrative discretion.
3. Only one fellowship-supported USCB funded faculty member may be on leave during an academic year cycle, not including summers.
