Number: 514
Issued By: Director of Admissions
Date: July 10, 2007

New undergraduate students entering the University for the first time in a summer term who expect to continue studying toward a degree submit only one application. They must meet all requirements for admission as degree-seeking students before the beginning of the summer term.

Summer Attendance Only

Students who wish to attend the University for the summer only should apply as special students under the "Non-degree" Candidate" paragraph included in this section. Students enrolled in degree programs in another college who wish to take summer courses at USCB as transients should seek written approval to take specific USCB courses from a dean or department chair in their home college.
