

Subject: Emergency Procedures/Safety  
Number: 704  
Issued by: Director of Facilities and Planning  
Date: October 15, 2003

The University of South Carolina Beaufort has maintained an excellent safety record and strives to develop and maintain a safe working environment for its employees. Most accidents are avoidable and sound safety practices are encouraged. If an unsafe condition exists, report it to your supervisor immediately.

Please refer to the USC Beaufort Campus Safety and Emergency Action Plan for details.
