Women Playing on Men's Teams

Women are allowed to play on Men's Teams at all levels of play. Restrictions on these participants are as follows:

1. The female participant is only allowed to play on one team. She will not be allowed to play on both a Men's and Women's Team. However, she will be able to play on a Men's open Team and a Co-Rec team.
2. The team which she participates on shall not have enough female players to constitute a co-rec team unless authorized by the Recreation and Intramural sports Director.
