Conduct

It is important that USCB's Recreation and Intramural Sports provide an atmosphere that is conducive to fair play and good sportsmanship. USCB's Recreation and Intramural Sports realizes that the intramural contests are very important to the intramural participants, but the importance should not be so great that good sportsmanship is overlooked. The Recreation and Intramural playing fields/courts are not venues for verbal and/or physical abuse for the intramural participants or spectators. To insure fair play and good sportsmanship prevail, recreation and intramural employees, (game officials, supervisors and administrative staff), reserve the right to warn, penalize and eject players, teams or spectators for conduct deemed unsportsmanlike.

Participants and spectators who choose to follow unsportsmanlike behavior/ practices before, during or after the contest directed toward officials, other participants or spectators are subject to ejection from the recreation and intramural facility. Recreation and Intramural game officials, supervisors and administrative staff may issue an ejection with or without warning if participant's actions are considered to be unsportsmanlike, deliberate and creates an unsafe playing environment. Examples of unsportsmanlike actions include, but are not limited to, profanity, vulgar or abusive language or actions, unnecessary roughness, two(2) technical fouls, taunting and/or baiting, flagrant actions toward an opponent, game official, or spectator, and fighting or inciting a fight. All participants that are ejected from a recreation and intramural event will be immediately suspended from all recreation and intramural contests until reinstated by the Recreation and Intramural Sports Director. To be reinstated, the ejected participant must complete the reinstatement process. This process includes both a written petition for reinstatement as well as a schedule meeting with the Recreation and Intramural Sports Director. All games in which suspended players participate will be considered forfeits by that team. These forfeits will count toward the team's "two forfeit" limit.
