Ejection Policy

All participants that are ejected from a Recreation and Intramural event will be immediately suspended from all recreation and intramural contests until reinstated by the Recreation and Intramural Sports Director. To be reinstated, the ejected participant must complete the reinstatement process. This process includes both a written petition for reinstatement as well as a scheduled meeting with the Recreation and Intramural Sports Director. It is the responsibility of the participant to initiate this process with the Recreation and Intramural Sports Director.

Penalties are effective after the meeting with the Recreation and Intramural Sports Director. The minimum suspension for any participant that was ejected will be one game. However, if the ejected player fails to meet with the Recreation and Intramural Sports Director, he/she will be indefinitely suspended from all Recreation and Intramural Sports Programs until the meeting occurs. The Recreation and Intramural Sports Director will determine the length of suspension for each incident that occurs based on information obtained from officials, supervisors and the ejected participant.
