### **Additional Guidelines Regarding Sportsmanship**

#### A. Forfeit Guidelines:

1. For each forfeit received because the other team failed to show, an automatic "4.0" rating will be assessed.
2. There will be no rating given to the team that forfeits and therefore the total number of games will be reduced for each forfeited game,(example: Team A forfeits 1 game and should have played a total of 4. This team will only be counted as playing 3).
3. All rainout games not made up will be counted as played and all teams will receive a "4.0" rating for those games.

B. If a team fails their sportsmanship grades twice, (receives below a 2.0), during the regular season, the team will be removed from the league.

C. Teams will be rated in all sports!!!

**If, for any reason, a player is ejected from a Recreation and Intramural contest, he/she will still be ineligible to play until he/she completes the reinstatement process.**
