

Subject: Credit Definition
Number: 301
Issued by: Executive Vice Chancellor for Academic Affairs
Date: June 16, 2014
Approved by Administrative Council

PURPOSE: Define standard credit hours.

USCB adheres to sound practices in determining the amount and level of credit awarded for courses, regardless of format or mode of delivery. The credit value of each course is determined by the amount of formal instruction time per week for one semester as defined in USC System Policy ACAF 2.03 (pp. 4-5).
