

Subject: Classification of Students
Number: 518
Issued By: Director of Admissions
Date: July 10, 2007

Classification is based on the total number of semester credit hours earned: A student must have earned 30 hours to be classified as a sophomore, 60 for classification as a junior, and 90 for senior classification. Students are classified at the beginning of each semester and maintain that classification until the next semester begins.

Unclassified Students

Students who hold a baccalaureate degree may be admitted to undergraduate credit courses upon submission of the undergraduate application for admission and previous college transcripts. The period of enrollment in these categories is limited by either time or number of allowable credits. Non-degree students are not eligible for financial aid.
