STRESS-FREE TRAVELS

New Random Draw for select classes

What is the new OLLI random draw system?

Tours, culinary cooking classes, and other courses have a very limited enrollment due to the nature of the course. A random draw system allows all OLLI members equal access to these courses rather than only the first ones to register getting into the courses.

What is LE, or limited enrollment?

Limited enrollment (LE) refers to a course with a limited class size number due to the type of course. Please note most OLLI courses are not part of the random draw system as they are held in large classrooms accommodating 45-120 students and/or may be offered on Zoom.

How does the random draw work?

When the fall term registration opens on August 16, 2022, members signing up for limited enrollment courses (LE) are placed in a random draw pool. On September 12, 2022, members will be randomly selected via a computer software program. Members selected for each LE course will be notified via phone and e-mail the week of September 13, 2022. All applicable PAYGO, class supply fees, and trip/tour fees are due at the time of notification. Those not selected initially for the course will be placed on the waitlist in case of cancellations. Cancellations are common.

SMOOTH PAVEMENT AHEAD!

- ✓ After completing your registration, you will receive an email confirmation of your selected classes. If you would like to print a copy of your current courses, please log into your account, and once logged in, on the left-hand side you will see Print Current Course Schedule. Click that and then click the transcript box. This will bring up a PDF of your current course for you to print.
- ✓ You will receive a **course reminder** e-mail and text (if you opt-in) before each of your courses. These e-mails have important details such as handouts, location details, and the zoom link. Please READ them – they are not all the same. 😊

THE FINISH LINE

Fill out a course evaluation for each of your courses. Your feedback is key for both curriculum planning and the instructors who volunteer to share their expertise and passion. The OLLI course evaluation link is the same throughout the term and is provided in each class reminder email and placed in the Zoom chat room for each Zoom class.
