

## How to download Zoom (USCB OLLI online class platform)

### Mobile devices

(iPads, tablets, smartphones)

1. Go to your app store and download “Zoom Cloud Meetings”. Follow the prompts to download apps to your mobile device.
2. Visit [www.zoom.us/download](http://www.zoom.us/download)
  - a. Scroll until you see “Zoom mobile apps”. Click appropriate button based on your device and follow download prompts.

### Zoom Mobile Apps

Start, join and schedule meetings; send group text, images and push-to-talk messages on mobile devices.

### Laptop/Desktop computers

1. Click on [www.zoom.us/download](http://www.zoom.us/download)
2. Click the download button under “Zoom Client for Meetings”

### Zoom Client for Meetings

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

3. Follow download prompts according to your laptop/desktop computer.

When Zoom is downloaded to either your mobile device or laptop/desktop computer proceed to login if you have a zoom account or take this time to create a free account.
