OLLI Online Class Code of Conduct

OLLI seeks to meet the needs of an engaged learning community and maximize the learning experience for all members. We promote a positive, educational culture. Please respect the rights of instructors and members through active listening and thoughtful discussion, especially if you are not in agreement with others’ opinions. Monopolizing discussions, undermining the instructor’s credibility and being disrespectful in words or actions will not be tolerated.

OLLI Tips for Successful Participation in Online Classes

1. Test and become comfortable with Zoom before the start of class. There are Zoom resources on the OLLI website at www.uscb.edu/olli

2. Keep your session “muted”. This will allow for the instructor’s screen to remain prominent throughout the presentation. Your microphone could be very sensitive and pick up small noises that could disrupt the class.

3. Be aware of your surroundings. If you choose to share your video everyone participating in the online class can see your surroundings picked up by your camera.

4. Before each class an OLLI staff member or volunteer will review how the Q&A will be handled for that class.
