Academic Calendars for 2019-2020

CHANCELLOR'S WELCOME

The University of South Carolina Beaufort is one of the oldest institutions of higher education in the nation. Its lineage dates back to the original 1795 charter of Beaufort College. By an official act two centuries ago, the South Carolina Legislature authorized the college to confer degrees in the liberal arts or sciences, degrees that were equivalent to those conferred by other colleges in Europa and elsewhere in America. The onset of hostilities in the Civil War forced the college to close in 1861.

In 1959, by another official act, the South Carolina Legislature created the Beaufort campus of the University of South Carolina on the original site of historic Beaufort College and authorized it to offer the same courses taught at the University of South Carolina in Columbia. In 1994, USCB embarked on a major expansion program. International Paper, a global leader in the paper and packaging industry, donated 80 acres of land to build an additional full-service campus for the university in Bluffton, the region’s fastest growing area. The county government agreed to finance construction of the campus if the university would designate it as a four-year institution of higher learning.

When the state approved its new, four-year status, construction began. In June 2002, the South Carolina Commission on Higher Education granted USCB baccalaureate status. In 2004, it was accredited as a Level II baccalaureate degree-granting university. In August of 2004, the first classes began at what came to be known as the South Campus. The original campus in Beaufort was called the North Campus. In the fall of 2005, newly constructed on-campus student apartments opened on the South Campus. Additional residential apartments for students have been added since then.

Today, South Carolina’s newest four-year university offers baccalaureate degrees and a wide variety of continuing-education programs at three distinct campuses. The original two campus names have changed. The North Campus is now the Beaufort Campus and the South Campus is the Bluffton Campus. They were joined in 2018 by the Hilton Head Island Campus, the home of USCB’s Hospitality Management Program. Also that year, USCB created Beaufort College Honors Programs in Biology, Nursing and Low country Studies. Honors students who qualify for the programs live in residential housing apartments recently constructed on the Beaufort Campus.

In 2019, USCB’s accrediting body designated it a Level III institution of higher learning when the university received formal authorization to offer its first master’s degree program. Graduate-level courses leading to a Master of Science in Computational Science began that fall.

While honoring its 200-year commitment to providing a liberal arts education, the University of South Carolina Beaufort continues to evolve to meet the changing needs of higher education as well as the diverse needs of coastal Carolina and the Low country. The faculty, staff and I welcome you to the University of South Carolina Beaufort and wish you success in the coming academic year.

Sincerely,

Al M Panu, PhD
Chancellor
University of South Carolina Beaufort: A History of Growth and Opportunity

The University of South Carolina Beaufort, a senior campus of the state's flagship public university system, brings the University of South Carolina's statewide mission of teaching, research, and public service to the Low-country of South Carolina. USCB offers baccalaureate degrees that respond to regional needs, draw upon regional strengths, and prepare graduates to contribute successfully in communities locally and around the globe. The curriculum is designed to promote acquisition of knowledge and the intellectual dispositions and skills that encourage depth of understanding, tolerance of others, and individual accountability.

USCB has one of the oldest traditions of higher education in the nation, dating to the 1795 charter of Beaufort College. An act of the South Carolina legislature authorized the college to confer degrees in the liberal arts or sciences "usually conferred in other colleges in Europe and America." The curriculum focused on theoretical science. When the original college building was constructed in 1802, the motto was chiseled onto the cornerstone: "Virtue, Liberty and Science." Four valedictorians of the South Carolina College (which became the University of South Carolina) and two valedictorians at Harvard before the Civil War came from Beaufort College.

Beaufort underwent a profound social revolution during the Civil War-- which gave rise to Beaufort College's second legacy: serving as headquarters for the Freedman's Bureau. From 1865 to 1872, this federal agency brought public education to newly freed slaves.

In 1959 another act of the South Carolina legislature created the Beaufort campus of the University of South Carolina. This outreach offered courses in the Beaufort College Building and the local military bases.

In 1994 International Paper gave eighty acres of land to build an additional full-service campus of the University of South Carolina Beaufort in the region's highest growth area, at the gateway to Hilton Head Island. Beaufort and Jasper county governments agreed to help finance construction of this new campus.

In 2004, with the approvals of the Board of Trustees of the University of South Carolina, the South Carolina Commission on Higher Education and the Southern Association of Colleges and Schools, USCB was accredited as a Level II baccalaureate degree granting university. Classes at the Bluffton Campus began in August 2004 in the Hargray Building. On-campus student apartments on the new campus opened in the fall of 2005. The Science and Technology Building opened in 2005 and a technology-infused library was dedicated in the spring of 2006. USCB began competing in the National Association of Intercollegiate Athletics in 2007. The state's newest four-year university, the University of South Carolina Beaufort offers baccalaureate degrees in the liberal arts, sciences and pre-professional programs USCB offers continuing education programs and Osher Lifelong Learning Institute programs throughout the region.
USCB’s location in the beautiful Sea Islands of South Carolina offers students a remarkable educational environment rich in history, culture and coastal ecology. USCB’s location is also the fastest-growing region in the state and is the doorstep to an international resort destination—an area bustling with energy and opportunity. It is no surprise that South Carolina’s newest university is also its most rapidly expanding university.
THE CAROLINIAN CREED

The community of scholars at the University of South Carolina is dedicated to personal and academic excellence. Choosing to join the community obligates each member to a code of civilized behavior:

As a Carolinian

I will practice personal and academic integrity;

I will respect the dignity of all persons;

I will respect the rights and property of others;

I will discourage bigotry, while striving
to learn from differences in people, ideas and opinions;

I will demonstrate concern for others, their feelings, and their need for conditions which support their work and development.

Allegiance to these ideals requires each Carolinian to refrain from and discourage behaviors which threaten the freedom and respect every individual deserves.
ENROLLMENT MANAGEMENT

ADMISSIONS OFFICE

The Office of Undergraduate Admissions admits students to USCB and handles transfer credit from other institutions. This office also determines residency for fee-payment purposes.

The University of South Carolina Beaufort has adopted the recommendation of the Centers for Disease Control (CDC), and the American College Health Association (ACHA) that all first-year (incoming freshmen, under the age of 25) students provide proof of immunization with Menactra or provide a Meningitis Waiver Form declining the vaccine after reading the risks and hazards of bacterial meningitis as a condition of enrollment.

Proof of Citizenship

Effective January 1, 2009, all USC students must present proof of citizenship or lawful presence in the U.S. before enrolling. This policy (ACAF 3.40) has been adopted by the University in order to comply with section 59-101-430 of the South Carolina Code of Laws, as amended, which requires that lawful presence in the United States is verified before enrollment at any public institution of higher education. Verification of immigration status for non-citizens will be conducted by International student officials. For other students, a proof of citizenship verification process has been adopted to deter and prevent false claims of citizenship by unlawful aliens attempting to evade the eligibility requirements of section 59-101-430. The University will do all it can to verify citizenship using other means, but many students will be contacted to complete a verification form and present proof of citizenship in the form of the following acceptable documents:

- Copy of the South Carolina driver's license if the student first became a licensed driver in the state after January 1, 2002;
- A Certified Birth Certificate indicating that you were born in the United States or a territory of the United States. A photocopy of your birth certificate is not acceptable.
- Current U.S. Passport or U.S. Passport that has not been expired more than 10 years;
- Certificate of Naturalization -- USCIS Form (N-550 or N-570);
- U.S. government issued Consular Report of Birth Abroad;
- Certificate of Citizenship (N-560 or N-561);
- Unexpired U.S. Active Duty/Retiree/Reservist Military ID Card (DOD DD-2)(new 1/21/09)

NOTE:
If name has changed since birth, student must present all legal documents (i.e., adoption records, marriage certificate, certificate of naturalization, and court ordered name change) supporting all name changes from the name which appears on the birth certificate or proof of citizenship to the present.

To avoid relinquishing an original document, a student may present it in person. The University can accept photocopies of birth certificates and other citizenship documents so long as we reserve the right to demand production of the certified original in the event we have any questions about whether the copy is true and accurate, or in the event any of the information on the copy is unreadable.

Each USC campus has designated a citizenship verification officer who will communicate to students and collect proof of citizenship documents. According to the policy, any student denied enrollment because of this policy can appeal to the University's President, whose determination shall be final.

**FINANCIAL AID / VA OFFICE**

A variety of financial assistance is available at USCB to help with the cost of attending college. USCB's Financial Aid Office assists prospective and current students by (1) providing information about financial resources, (2) assisting applicants with the application process, (3) calculating an applicant's level of eligibility, (4) awarding financial assistance based on an applicant's enrollment status and (5) monitoring students' satisfactory academic progress each semester for continued eligibility for financial assistance.

Financial aid is awarded on a yearly basis. Each award year begins with the fall semester and ends with the summer term. A Free Application for Federal Student Aid (FAFSA) may be completed any time beginning October 1st before the intended academic year. Although applications can be submitted throughout the academic year, priority consideration is given to applications submitted before March 1st. Since some of the required information comes directly from students’, parents’ and (if applicable) spouse’s federal tax returns, it is advisable to complete tax returns before completing the FAFSA. Students who apply for financial assistance after July 1 for fall or after November 1 for spring should not expect aid to be finalized before classes begin.

**Applying for Financial Aid**

To apply for financial aid programs, students must complete the Free Application for Federal Student Aid (FAFSA). First, students, parents, and borrowers should create an FSA ID, made up of a username and password, to submit their Free Application for Federal Student Aid (FAFSA) online and to access U.S. Department of Education websites. Your FSA ID is used to confirm your identity and electronically sign your federal student aid documents. To create and FSA ID, visit [www.StudentAid.gov/fsaid](http://www.StudentAid.gov/fsaid).

Complete the Free Application for Federal Student Aid (FAFSA) online at [https://fafsa.ed.gov/](https://fafsa.ed.gov/). It takes the federal government about 5 to 7 days to process the FAFSA. Please add USCB’s school code (003450) on the FAFSA so that we receive a copy. If you need assistance with completing the FAFSA, please come by our office located at: Historic Beaufort Campus in Room 117 of the Sandstone Building or at the Hilton Head Gateway Campus in the Enrollment Management Office in the Hargray Building. We can also be reached by phone at the Historic Beaufort Campus: 843-521-3104 or at the Bluffton Campus: 843-208-8000.

Be sure to check the status of your financial aid application on your Self-Service Carolina (SSC) account to see if any information may still be needed from you. Federal aid will not be awarded until your financial aid file is complete.

**Types of Financial Aid**

Financial assistance programs offered at USCB include federal and state programs. The federal programs include Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Iraq and Afghanistan Service Grant, Federal College Work-Study and Student and Parent Loans. More information on these programs is contained in the Student Guide, a free booklet about federal financial aid from the U.S. Department of Education that can be picked up from the USCB Financial Aid/Veteran Affairs Office. You can also obtain financial aid information at: [http://www.uscb.edu/admissions/cost-and-aid/index.html](http://www.uscb.edu/admissions/cost-and-aid/index.html).

Scholarships
The University of South Carolina Beaufort Scholarships is established through the generosity of individuals, organizations and the University community. These scholarships are designed to recognize qualities of leadership, merit, and academic performance and to assist students in achieving their educational financing goals.

Incoming freshmen and transfer students who have been accepted to the University are automatically considered for scholarships until funds are depleted.

Academic Program Scholarships
If you are interested in computational science, studio art, or hospitality management, USCB has academic scholarships reserved for students entering these majors.

Paying Tuition Bills with Your Financial Aid
Make sure you have completed all financial aid requirements on SSC. The Title IV Fee Authorization must be completed on SSC by clicking on the "Resources/Additional Information" tab under "Aid for Award Year."

Once fees are calculated and the bill is created, funds will begin disbursing to the student's account. It is your responsibility to ensure that all requirements for financial aid are completed so that aid can be used in the disbursement process and that any remaining charges are paid to fully satisfy your bill.

Family Education Right and Privacy Act (FERPA) of 1974: The Financial Aid/VA Office ensures the confidentiality of student records according to the Family Education Right and Privacy Act. Your family financial information and the type and amounts of your aid are held in confidence. Information is released only with your written consent. Information will be released to other offices and agencies as may be needed to administer the financial aid programs, such as scholarship donors, services of loans, etc.
MILITARY STUDENT SERVICES AND VETERANS AFFAIRS

USCB’s offices on the Marine Corps Air Station (MCAS) and the Marine Corps Recruit Depot (MCRD) provide student services to active-duty student personnel and their families.

Admissions
There are two categories under which members of the military can attend the University:

Military special student
If a student is in the military, he or she can be quickly admitted to USCB as a “military special” student without having to submit high school transcripts, college transcripts or SAT/ACT scores. This gives the student time to request transcripts or take College Board exams before applying to the University as a “degree-seeking student.” No application fee is required. Transfer work, military experience and CLEP tests are not evaluated for credit until the student enrolls as a degree-seeking student. A maximum of 30 semester hours earned while classified as a military special student can be applied toward a baccalaureate degree.

Degree-seeking students
When students apply to become degree seeking, they must submit a degree-seeking application and a $40 application fee and appropriate documentation, which may include transcripts and SAT/ACT scores. Once the student is accepted to the University, transfer work, military experience and CLEP tests can be evaluated.

Financial Assistance for Military Students

Tuition Assistance
Qualified active-duty military personnel are eligible to use tuition assistance offered by the U.S. Government. Currently, tuition assistance pays for a portion of tuition and course-related fees with service-specific limitations. For more information, contact the Marine Corps Air Station (MCAS), Marine Corps Recruit Depot (MCRD) or Naval Hospital Beaufort (NHB) Education Offices. The Government does not provide tuition assistance for military family members.

Montgomery G.I. Bill (MGIB)
Several Montgomery G.I. Bill programs assist with tuition costs: Top Up, MGIB Active Duty and regular MGIB. Additionally, the new Post 911 GI Bill is also available for selection. For more information, contact the MCAS, MCRD or NHB Education Offices or USCB’s Financial Aid Office or USCB Veterans’ Office.

Other Financial Aid and Scholarships
Degree-seeking military students and their family members are eligible to receive other financial aid, such as grants, student loans or scholarships.

Military Personnel Residency Status
With a copy of PCS (Permanent Change of Station) orders to any base in South Carolina, military students and their immediate family members are eligible for in-state tuition.
For More Information on Financial Assistance, contact:

USCB Veterans’ Affairs Office (843) 521-4117

Other Contacts:
Veterans’ Administration/Beaufort (843) 470-4737
Veterans’ Admin./Regional Office/Edu (888) 442-4551
Marine Corps Air Station Edu. Office (843) 368-8211
Marine Corps Recruit Depot Edu. Office (843) 368-8211

Military Experience for Credit
Credit can be awarded for educational experiences in the military, such as recruit training, MOS Schools, leadership courses, and other formal training. Credit is limited to 15 hours for an associate degree and 30 for a baccalaureate degree. Military experience is counted as elective credit. Not all baccalaureate degrees accept the full 30 hours of military credit.

In order to have military experience evaluated, students must attend as a “degree-seeking.” The official record of Army, Coast Guard, Navy, and Marine Corps educational experiences is called a Joint Service Transcript. An official copy may be ordered at the Military Education Office where the service member is stationed or online: https://jst.doded.mil. Air Force personnel can order the official record through the Community College of the Air Force. Once the official Joint Service Transcript or Air Force transcript has been received, the Director of Military Programs will take appropriate steps to initiate the evaluation process. It takes six to eight weeks for the military credit to be posted to the student’s transcript.

For information about how to order an official transcript from the Army, Air Force or Coast Guard, contact the Director of Military Programs at (843) 368-8211.

Locations:
Marine Corps Air Station Beaufort, Training Building #596, second floor, Room 214; MCRD Parris Island, Training Building #923, Room 23.

Veterans’ Educational Benefits
If a student is a veteran, service member, selected reserve member or a military dependent, special assistance programs are available to help finance a college education. The Financial Aid/Veterans’ Affairs Office will help complete all of the necessary applications and will mail them to the appropriate approving agency. It could take between 30 to 45 days to apply, receive approval and receive funds from the Veterans Administration. It is your responsibility to pay your tuition and fees before the established fee payment deadline unless the student is receiving Chapter 33 – Post 9/11, Chapter 31 - Vocational Rehabilitation benefits or SC State Free Tuition for certain veteran’s dependents. Documentation authorizing benefits must be provided.

In order to use VA benefits, students must select a program of study, a requirement for VA educational benefits. First-time students will be allowed up to two (2) semesters of undecided work (but they must be a degree seeking student); all other students must declare a major. When you change your major, you must complete a VA Change of Program form at the Financial Aid/Veterans’ Affairs Office. Chapter 31 students are required to get permission from their case manager before changing their major.

To earn benefits, students are required to attend class (see Class Attendance section) and maintain satisfactory academic progress towards their degree or program (see Academic Standing). You are
responsible for informing the Financial Aid/Veterans’ Affairs Office of changes in your enrollment status or changes in dependency or marital status. Your benefits may be suspended or terminated if problems arise with certification.

To learn more about VA Education benefits, please visit us at Financial Aid/VA Office, located at the Beaufort Campus in the Sandstone Building, RM 117 or at the Bluffton Campus in the Enrollment Management Office in the Hargray Bldg.

STUDENT DEVELOPMENT
The Student Development and Services mission is twofold: (1) guiding students through the University’s administrative process and (2) serving students by providing co-curricular and extra-curricular activities that contribute positively to the college experience. Inherent in these are the ongoing support of students
as they address the challenges of academic life and providing access to opportunities to improve the leadership skills needed upon graduation. As partners in the educational process, Student Development and Services offers services and programs to complement and enrich the classroom experience of a diverse student population and which prepare students to take an active role in achieving their intellectual and personal potential.

**STUDENT SUCCESS CENTER**
Located on the second floor of the University Library on the Bluffton Campus, the Academic Success Center is comprised of several services:

**TUTORING SERVICES**
USCB is proud to offer free tutoring to all currently enrolled students. The mission of the Tutoring Center, located in LIB 221, is to help students succeed in the classroom by aiding them in gaining a deeper understanding of course material, by assisting them in developing better study skills, and by promoting a positive attitude toward learning. Tutoring services are performed by both peer and professional tutors, so students are sure to get the specialized help they need.

Students can take advantage of tutoring either by appointment or drop-in. Drop-in tutoring is on a first come first served basis and offers set, weekly hours of assistance in most areas of study. Tutoring by appointment allows students to reserve a guaranteed time for themselves or a group. Please visit the tutor site at: [http://www.uscb.edu/tutoring](http://www.uscb.edu/tutoring).

**WRITING CENTER**
We offer one-on-one writing tutoring services with both professional and peer tutors, assisting students with writing issues such as organization, style, and grammar and mechanics. Throughout each semester, we also provide regular workshops for first-year writing students in English 101 and 102, as well as university-wide workshops on common writing issues such as citation and essay exams. Writing tutors are available to assist students with any writing issues in any course. To meet with a writing tutor, you may either schedule an appointment (preferred) or drop in when a tutor is available. Please check the schedule each semester to see when writing tutors are available. Tutoring hours are subject to change.

**PLACEMENT TESTING & SERVICES**
Testing services are provided from the beginning of the prospective students' admission requirements, and continue as an integral part of each student's academic progress through graduation, including graduate admissions and professional certification/licensure requirements. Placement tests in English, Foreign Languages and Mathematics are required of all incoming USC Beaufort freshmen, and some transfer students. To find out more about placement tests, call (843) 208-8034 or email proctoring@uscb.edu.

USCB is also proud to offer test proctoring services to students attending other colleges and universities. **ACADEMIC SKILLS WORKSHOP**

In an effort to provide our students with academic support and guidance beyond the classroom experience, the professional academic advising staff offers workshops each semester that address study skills, time management, note-taking strategies, test-taking strategies. Other areas may also be addressed by request.

**ADVICEMENT**

Successful, self-directed students are our University's aim. To that end, academic advisors are committed to helping students identify and evaluate academic paths that appear to be in their best interest. Advisement at USCB is a collaborative, continuous process of evaluation and clarification, a process leading to student development, growth, and maturity. Keeping the students' life goals in mind, students and advisors define and assess choices and consequences, ranging from degree program selection to course selection - not only what to take but also why to take it. While the advisors' role is critical in this process, the ultimate responsibility for advisement decisions rests with students. Advisors take a personal interest in students, guiding them toward a program appropriate for their academic and career aims as well as for life's requirements and challenges.

There are four professional staff academic advisors at USCB, located in the Academic Success Center on the 2nd floor of the library. The Academic Success Center is open Monday through Friday from 8:30 AM to 5 PM.

Every student at USCB will be assigned an academic advisor based on his or her major and the number of credit hours completed. First-year freshmen are assigned a staff academic advisor once they have attended orientation. Transfer students are assigned either a staff or faculty advisor based upon their number of earned credit hours and major. For questions, either call (843) 208-8049 or email advising@uscb.edu.

However, the contract does not include the following academic breaks, Thanksgiving, Winter, and Spring Break. Room and board fees, as set forth in the Application, are due at least five days before the first day of classes of the applicable semester, regardless of the Applicant’s application date.

The Contract is binding on the University, BJHEC and the Resident (and the Resident’s parent or legal guardian where applicable) for the Term and cannot be terminated except under conditions cited in the Contract. **Residence Hall Guest, Visitor and Overnight Policy**

USCB Housing recognizes residents’ rights to have and host friends and family within the community. With that right, comes the responsibility to adhere to the guidelines established in order to ensure the rights and safety of other residents within the community. Residential students are responsible for their guests and guests must be accompanied by the student host at all times. Guests and hosts alike are responsible for knowing and abiding by all regulations and either or both may be subject to disciplinary action for violations.
Visitation hours are as follows:
Sunday through Wednesday is 9:00 a.m. – Midnight
Thursday through Saturday is 9:00 a.m. – 2:00 a.m.

Overnight Guest Policy - “Overnight Guest” refers to any guest who is a non-student, USCB student who does not live in University housing and/or a residential student who does not live in the specified apartment. All overnight guests must be registered in advance with the Office of Housing and Judicial Affairs.
Exception: All residents who reside in Chechessee, Combahee, or Okatee buildings are allowed overnight guests on any day of the week. However, these residents are required to participate in the registration process. Residents of these buildings are limited to sophomore or higher student status.
Registration includes submitting a guest form with written approval from all roommates to Housing. All overnight guests must check-in with the Department of Public Safety to receive a guest parking pass.

Residential students are only allowed 2 overnight guests per person and no more than 4 total overnight guests in an apartment at any time. Residents may be permitted to have overnight guests for a maximum of 3 consecutive nights, provided that approval is given by all roommates. No guest may stay more than 3 nights by changing hosts. Overnight guests must be 14 years of age or older. Students are not allowed to have the same overnight guest more than 25 nights in a semester.

This policy is designed for the safety of residents, guests, and other members of the University community. Failure to register an overnight guest pursuant to this policy will result in an incident report filed with the Housing Office. Non-approved overnight guests will be required to vacate the property. Violations of the visitation policy can result in loss of visitation privileges and/or additional disciplinary action.

Housing Window Policy
The Office of Housing & Judicial Affairs prohibits the posting or hanging of any material on either side of the residence hall apartment/room windows. Drawing, painting, and writing on the residence hall windows are also prohibited. With the exception of University issued window coverings (blinds), windows are not to be visually obstructed in any way.

Pets and Animals

No other pets are permitted in any residence hall. The Office of Housing & Judicial Affairs reserves the right to require immediate removal of the pet(s) and charge the resident(s) for all costs incurred in the process of removing the pet(s). Any cost associated with the possession of a pet, including damaged furniture, cleaning, pest control, etc. will be charged to the residents of the apartment. Additionally, residents found responsible for violating the Pets and Animals policy may face the following fines:

1st Offense - $25.00
2nd Offense - $50.00
3rd Offense - $75.00
Each additional offense - $100.00
STUDENT JUDICIAL PROCESS
The University of South Carolina Beaufort, as an institution of higher education, accepts its obligation to provide for its students, faculty and staff an atmosphere that protects and promotes its educational mission and guarantees its effective operation. To accomplish these goals, the University requires certain standards of conduct. All students, faculty and staff at the University share the responsibility to respect:
• the fundamental rights of others as citizens;
• the rights of others based upon the nature of the educational process;
• the rights of the institution; and
• the rights of everyone to fair and equitable procedures for determining when and upon whom sanctions for violations of University standards should be imposed.

The Student Judicial Policy is the essential component for guaranteeing due process for students at USCB. This policy describes procedures for addressing violations of the Non-Academic Code of Conduct, including violations by student organizations.

STUDENT GRIEVANCE PROCESS
The purpose of the student grievance process is to furnish a student enrolled at USCB with a formal, standardized method for seeking a resolution when the student believes s/he has been treated unjustly or improperly by a faculty or staff member. A student may seek a solution to an unresolved difference with a faculty or staff member in accordance with this policy. **Grievances must be filed no later than the last scheduled final exam day of the term for which the student is appealing.**

I. **Academic Grievance Policy**
The procedures herein shall not extend to matters of grading student work where the substance of a complaint is the student’s disagreement with the mark or grade placed on his or her work. Such matters may be discussed by the student and the instructor, but final grading authority shall remain with the instructor.

A. The basis for a student academic grievance shall be limited to a violation of Teaching Responsibility policies set forth in the Faculty Manual or a violation of the University policy on Protection of Freedom of Expression or the University policy on Protection against Improper Disclosure.

B. Student who wishes to pursue an academic grievance shall first meet with the instructor concerned, then with the appropriate departmental or program head, and then with the Executive Vice Chancellor for Academic Affairs. An academic grievance shall be referred to the USCB Honor Court only if either the student or the instructor is dissatisfied with the previous administrative action.

C. More detailed information regarding the Academic Grievance Policy and any violations of the Academic Code of Conduct can be found in the Academic Bulletin.

II. **Non-Academic Grievance Policy**
A. This Non-Academic Grievance Policy is designed to provide students with an opportunity to address non-academic complaints and problems that they have been unable to resolve through other channels.

B. For purposes of this policy, a grievance is defined as dissatisfaction occurring when a student believes that a condition affecting him or her is unjust, inequitable, or creates an unnecessary hardship. Such grievances include, but are not limited to, the following:
   1. An instructor’s failure to abide by university policies or failure to abide by written or stated course requirements in such a way as to adversely influence the student’s academic standing.
   2. Abusive or improper conduct on the part of the instructor or staff member;
3. Discrimination against students by faculty or staff on non-academic matters for reasons of race, color, national origin, religion, sex, age, handicap or veteran status;
4. Improper personal or professional behavior involving students, faculty or staff;
5. Wrongful assessment and processing of fees;
6. Records and registration errors.

NOTICE: Grievance procedures have been established to provide students with a forum for resolution of problems not otherwise addressed by university policy or procedure. The grievance procedure may not be used to appeal disciplinary decisions, state residency classification decisions or any other type of decisions for which a clearly defined appeal process has already been established.

A. Non-Academic Grievance Procedure
The initial phase of the student grievance procedure involves a conference between the student and the instructor or staff member (the instructor’s or staff member’s supervisor may be present, provided this is agreed to by the grieving student). The conference must take place within five days of the incident that prompted the grievance. The purpose of this meeting is to attempt to resolve all differences in an informal, cooperative manner.

If the student is not satisfied with the results of this conference, then the student must schedule a meeting with the appropriate authority—the Executive Vice-Chancellor for Academic Affairs (in the case of faculty and academic support staff) or the Vice-Chancellor for Student Development (in the case of other staff)—within five days of the conference if the student wishes to pursue the grievance. If either Vice Chancellor is a party against whom the grievance is filed, then the Chancellor of USCB shall hear the grievance.

If the student is dissatisfied with the results of the meeting with the appropriate authority, then s/he may request the USCB Judicial Board to review the grievance in accordance with the procedure described below.

If the student desires the USCB Judicial Board to review the grievance, then the student must file the grievance in writing and within five days of the meeting with the appropriate authority. The student’s written grievance statement must (i) state the grievance, (ii) state why the appropriate authority’s response is unacceptable to the student, and (iii) specifically request a hearing before the USCB Judicial Board, if the student desires a hearing. The written grievance must be filed through the appropriate Vice Chancellor’s office and must contain the names of the principal parties involved in the grievance and include copies of any written materials that support the grievance. If a vice chancellor is grieved against, then the written grievance shall be filed through the Office of the Chancellor of USCB. If a Judicial Board member is one of the parties in a grievance action, then an appropriate alternate will assume the Judicial Board member’s place on the Board.

Upon receipt of the student’s written grievance, the Judicial Board shall provide a copy of it to the faculty or staff member identified in the grievance and request the faculty of staff member to submit a written response to the Board within five days from the date of the Board’s request. If requested by the student, the Judicial Board shall schedule a hearing to be held within ten days of the Board’s receipt of the faculty or staff member’s written response. The Judicial Board shall then send written notice to the student, the faculty or staff member and the appropriate Vice Chancellor that contains the following information: (i) a copy of the student’s written grievance; (ii) the time and place of the hearing; and (iii) a statement of the principal parties’ right to bring witnesses and present evidence.

The principal parties may be present in person or for online courses, through video conferencing for all
testimony during the hearing, shall be afforded a reasonable opportunity to present witnesses and other evidence, shall be permitted to make statements on the matters discussed, and shall have an opportunity to rebut hostile witnesses. An attorney may be present to advise the student during the hearing if the student wishes, but the attorney's participation shall be limited to counseling the student. The attorney shall not make arguments on behalf of the student or otherwise address the Judicial Board or the witnesses during the hearing.

The Judicial Board shall meet in private to discuss the case upon the conclusion of the hearing. The Judicial Board shall decide the grievance by majority vote. The Judicial Board shall inform the principal parties and the appropriate Vice Chancellor and the Chancellor of its decision within ten days of the conclusion of the hearing. If the student does not request a hearing, then the Judicial Board shall inform the principal parties and the appropriate Vice Chancellor and the Chancellor of its decision within ten days of receipt of the student’s written grievance. The Judicial Board’s decision shall be final.

NON-ACADEMIC CODE OF CONDUCT

Introduction

The University of South Carolina Beaufort strives to protect this educational community and to maintain social discipline among its students and student organizations. Consistent with its purposes, reasonable efforts will be made to foster the personal and social development of those students who are held accountable for violations of University social regulations.

The purpose of this document is to set forth the specific authority and responsibility of the University in maintaining social discipline, the educational process of determining student and student organization accountability for violating the regulations, and the proper procedural safeguards to be followed in this process to insure fundamental fairness and protect the students and student organizations from unfair imposition of serious penalties and sanctions.

Application of Laws and Regulations

Students should be aware that educational institutions are not sanctuaries beyond the reach of the criminal laws of the communities and states wherein such institutions exist. While the rules and regulations of the University of South Carolina Beaufort are not meant to duplicate general laws, there are some aspects in which the lawful interests of the institution as an academic community coincide with the broader public interests treated in general laws. Students, or student organizations, who commit offenses against the laws of municipalities, states, or the United States, are subject to prosecution by those authorities and may be subject to disciplinary action under University rules when their conduct violates institutional standards.

Students, no less than other citizens, are entitled to be secure in their personal lodgings, papers, and effects against unreasonable searches and seizures. Searches and seizures by law enforcement personnel incident to investigations or arrests are conducted only under proper warrant. This does not prohibit normal inspections of University housing or other facilities for maintenance, health, or safety purposes.

Students enjoy the same freedoms of speech and peaceable assembly as all citizens, but they are under certain legal obligations in the exercise of these freedoms by virtue of their membership in the University community. Expression may be subjected to reasonable regulations of time, place, number of persons, and form under established regulations. Expression in the form of action that materially interferes with the normal activities of the institution or invades the rights of others is prohibited. The University is pledged to protect lawful exercise of the rights of free speech and assembly and will invoke appropriate legal and disciplinary sanctions when necessary in the pursuit of this goal.
Authority and Responsibility
The responsibility for good conduct rests with students as individuals, for both themselves and their guests. Student organizations have similar responsibility for maintaining good conduct among their members and guests and at activities they sponsor. All members of the University community are expected to use reasonable judgment in their daily campus life and to show due concern for the welfare and rights of others.

The Board of Trustees is the governing body of the University and the powers of the President, Chancellor and the faculty are delegated by the Board in accordance with its policies. The faculty, subject to review by the Chancellor, President and the Board of Trustees, has legislative powers in all matters pertaining to the discipline of students and student organizations. The student discipline system is administered by the Division of Student Development. Student Government as an elected and representative voice of the student body has the right to comment on any proposed changes pertaining to the discipline of students.

The Vice Chancellor for Student Development, in turn, designates the Office of Housing and Judicial Affairs as directly authorized and responsible for the total operation of the Student Judicial System. This responsibility includes formulating and implementing policies and procedures, in cooperation with other appropriate University bodies, for the judicial consideration of conduct violations and the imposition of sanctions in an efficient, consistent, fair, legal, and educationally meaningful manner. The Office of Housing and Judicial Affairs may further delegate its responsibility to various judicial bodies and administrative staff.

Student Code of Conduct - General Provisions
This section establishes the rules and regulations all students and student organizations of the University of South Carolina Beaufort are expected to follow under the duty and corollary powers inherent in educational institutions to protect their educational purposes through the setting of standards of student conduct and scholarship and through the regulation of the use of University facilities.

Students and student organizations have a right to expect enforcement of these rules and regulations. The University also has the right to expect students and student organizations to abide by them as befits the responsibilities of students as members of the University community. Knowledge of these rules and regulations can prove most beneficial to students and student organizations in utilizing and protecting their guarded rights. It is important to add, however, that unfamiliarity with institutional regulations or rules is no ground for excusing infractions.

Scope of Application: The University may take disciplinary action for a violation of the Student Code of Conduct when the offense takes place on University premises or at University sponsored, endorsed, supported or related events which occur off campus, or when an offense which occurs off campus may adversely affect any interest of the University.

Definition of a “Student”: For the purpose of this policy a “student” is defined as any person who is admitted, enrolled or registered for study at the University of South Carolina Beaufort for any academic period, and those who attend post-secondary educational institutions other than the University of South Carolina Beaufort and who reside in a USCB residence facility. Persons who are not officially enrolled for a particular term but who have a continuing student relationship with, or an educational interest in, the University of South Carolina Beaufort are considered “students”. A person shall also be considered a student during any period while the student is under suspension from the institution or when the person is attending or participating in any activity preparatory to the beginning of school including, but not limited to, orientation, placement testing, and housing check-in.

General Principles of Group Responsibility for Student Organizations: Although not all acts of individual group members can or should be attributable to the group, any group or collection of its members acting in concert should be held responsible for its actions. In determining whether a group may be held collectively responsible for the individual actions of its members, all of the factors and circumstances surrounding the
specific incident will be reviewed and evaluated. As a guiding principle, groups will be held responsible for the acts of their members when those acts grow out of, or are in any way related to group life. Isolated violations of individuals should not be chargeable to the group, but evidence of group conduct exists where:

a. Members of the group act in concert to violate University standards of conduct.
b. A violation arises out of a group-sponsored, financed, or endorsed event.
c. A group leader (s) has knowledge of the incident before it occurs and fails to take corrective action.
d. The incident occurs on the premises owned or operated by the group.
e. A pattern of individual violations is found to have existed without proper and appropriate group control, remedy, or sanction.
f. Members of a group act in concert or the organization provides the impetus for violation of University rules and regulations.

Students who are arrested by any law enforcement agency are required to inform the Office of Housing and Judicial Affairs of such matters within 72 hours of the arrest. Students arrested may be subject to University disciplinary action when their conduct violates University standards. Failure to report this information to the Office of Judicial Affairs will result in a “Failure to Comply” charge and may result in further disciplinary action.

**Student Code of Conduct - Other Provisions**

The following statements constitute the official record of all general conduct rules and regulations at the University of South Carolina Beaufort. engaging in an enterprise which is prohibited by law. Students should accordingly avoid the scene of any disruptive or potentially disruptive action. In any case, failure to leave when asked to disperse by University or law enforcement officials will result in disciplinary and/or legal action.

**NOTE:** In any case wherein students of the University of South Carolina Beaufort are involved in action which is disruptive of the normal activities of the institution or its personnel, or which exceeds the bounds of normal internal discipline in its impact, the Board of Trustees may exercise its right to name a Special Hearing Board, Committee, or Officer to investigate the questioned action and to initiate appropriate disciplinary or other measures.

Misuse of Telephones and/or other Communication Technology
No student shall misuse or abuse, or assist in the misuse or abuse of communication equipment at the University. Such activity includes, but is not limited to, using any form of communication equipment to harass or threaten any person or persons, or using any form of communication equipment to disrupt the normal operations or activities of any person, organization, or the University. Communication equipment includes, but is not limited to, electronic mail, pagers, voice mail, computers, printers, etc.

Misuse of University Student Identification Cards
Lending a University Student ID card to anyone for reasons not authorized by the University Student ID policy, failing to present a Student ID card when requested by a University official acting in the performance of his or her duties, or possessing or using a fraudulent ID card, may subject the owner and/or the holder to disciplinary action (Refer to University Student Identification Card Policy).
Possession of Weapons
The unauthorized possession or use of firearms or weapons of any other kind (including but not limited to knives, slingshots, metal knuckles, razors, paintball guns, BB guns, and air pistols) is prohibited. The use or display of any object or instrument in a dangerous or threatening manner is prohibited. The University Department of Public Safety provides temporary storage of these items with scheduled access by owners.

Sexual Assault
A. For the purposes of this policy and related procedures, the term sexual assault is defined as one or more of the following:
   a. Offensive Touching Sexual Assault - the touching of an unwilling or non-consensual person’s intimate parts (such as genitalia, groin, breast, buttocks, mouth, and/or clothes, covering them); touching an unwilling person with one’s own intimate parts; or forcing an unwilling person to touch another’s intimate parts
   b. Non-consensual Sexual Assault – unwilling or non-consensual penetration of any bodily opening with any objects or body part. This includes, but is not limited to, penetration of a bodily opening without consent through the use of coercion.

B. Forced Sexual Assault - unwilling or non-consensual penetration of any bodily opening with any object or body part that is committed either by force, threat, intimidation, or through exploitation of another’s mental or physical condition of which the assailant was aware or should have been aware.

Portions of this policy may parallel published laws, but are in no way intended to substitute or supplant those laws. As members of the University community, students are expected to comply with and abide by the University policies and guidelines issued below, as well as the laws of the State of South Carolina.

C. Healthy sexual activities involve mutually expressed consent. Consent is defined as follows:
   a. Both individuals are physically free and capable to act.
   b. Both individuals are willing and clear about their intent to engage in sexual activities.
   c. Silence may not in and of itself constitute consent.
   d. Past consent of sexual activities does not imply ongoing future consent.

D. The use of alcohol and other drugs, in conjunction with an incident of sexual assault, does not mitigate accountability for the commission of this crime or diminish the seriousness of the crime. The use of a substance with the possibility of harm to another individual will be considered by the Judicial Hearing Officer or pre-hearing Adjudication Officer when determining responsibility and appropriate sanctions.

E. This policy is subject to change to comply with changes in relevant laws or University operating procedures.

F. Victims of sexual assault who report their experience to University officials can anticipate that:
   a. All sexual assaults will be treated seriously.
   b. Victims will be treated with dignity and respect and in a non-judgmental manner.
   c. Campus organizations and services that can assist victims will be identified.
   d. When a crime is reported to University officials, those officials will offer assistance in notifying proper authorities. When victims report and choose to pursue action against alleged assailants, assaults will be investigated and adjudicated by appropriate criminal and/or University authorities.
   e. University personnel will not discourage victims from reporting, nor encourage them to under-report or report the incident as a lesser crime.
   f. Victims may invite an advisor they choose to accompany them through University disciplinary
proceedings.
g. A victim will be notified of the outcome of related University discipline proceedings. The victim and the charged student must respect the privacy of all involved.
h. Victims will be made aware of any State or Federal laws regarding mandatory testing of sexual assault suspects for communicable disease and whether these professionals can notify a victim of the results of these tests.
i. Victims will be informed of mental health services available.
j. Victims will be afforded the opportunity to request immediate on-campus housing relocation, transfer of classes, or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant when reasonably available.
k. All students have the right to an environment free from sexual or physical intimidation, or any continuing disruptive behavior, by persons sharing rooms or their guests, that would prevent a reasonable person from attaining their educational goals. Disruptive behavior of this nature should be reported to appropriate University staff, so it can be addressed.
l. The sexual history of the victim is not considered relevant to the truth of the allegation; therefore, information regarding sexual history external to the relationship between the victim and the alleged assailant will not be considered in discipline hearings.

G. Providing or making available to a victim, and/or using any substance (e.g. alcohol, GHB, Rohypnol, etc.) will be considered by the Administrative Hearing Officer when determining responsibility and appropriate sanction.
a. Use of these substances in violating this policy may constitute “Forced Sexual Assault” and result in expulsion from the University. In addition, the use of these substances by an alleged assailant may constitute violation of other University policies, and the student may be charged with these violations as well (e.g. Drugs, Harm to Persons, Disorderly Conduct, Disruptive Activity, Alcohol, etc.)
b. The use of alcohol and other drugs by either party, in conjunction with an incident of sexual assault, does not mitigate accountability for the commission of this offense or diminish the seriousness of the offense.

H. In the event that the alleged sexual assault is committed by more than one person, there will be one hearing conducted for all accused students. However, charges against the students may vary.

I. As noted above, in publishing this policy the University is not intending to substitute or supersede related civil and criminal law. It is the policy of the institution to strongly encourage victims to report all incidents and violations to the law enforcement officials or agencies with appropriate jurisdiction and avail themselves of all the services and rights to which they are entitled by law.

J. It should be clearly understood that there is a fundamental difference between the nature and purpose of student conduct procedures and criminal law. Regardless of the charge issued or procedures employed, sanctions issued by the University can be expected to be consistent with the educational mission of the institution.

K. According to university policy, the University may bring disciplinary action against the student for the same incident if the alleged conduct is prohibited by the institution and/or if it is judged to be adverse to the recognized mission of the institution. University conduct procedures are distinct and independent of any and all criminal procedures. Student conduct procedures may precede, occur simultaneously, or follow and consider the results of court action. When necessary, temporary action may be taken in the form of summarily suspending, summarily restricting, or officially requesting no contact between the victim and assailant, as well as possible relocation or removal from the residence halls. Any of these measures may result in a student’s restricted participation in University events outside attendance of classes and appointments related to the resolution of discipline matters.
L. At this printing, the South Carolina State Code (SC Code Ann. Sec. 16-3-651 to 16-3-654) defines criminal sexual conduct, which includes rape, as “sexual intercourse, cunnilingus, fellatio, anal intercourse, and any intrusion, however slight, into anal or genital openings, except when such intrusion is accomplished for medically recognized treatment or diagnostic purposes.” (SC Code Ann. Sec. 16-3-651)
   a. The law goes on to describe three degrees of criminal sexual conduct:
      i. First degree criminal sexual conduct involves a sexual contact (battery) using aggravated force, and/or in association with another crime such as kidnapping, robbery, extortion and burglary. First degree criminal sexual conduct is a felony and is punishable by imprisonment for up to 30 years.
      ii. Second degree criminal sexual conduct involves batteries accomplished or attempted with aggravated coercion. Batteries involving an assailant in a position of authority over the victim are also considered second degree criminal sexual conduct. Criminal sexual conduct in the second degree may be punished by up to 20 years imprisonment.
      iii. Third degree criminal sexual conduct involves batteries where force or coercion is used and/or the assailant knows or has reason to know that the victim is mentally defective, mentally incapacitated or physically helpless, even though aggravated coercion is not used. Third degree criminal sexual conduct is a felony and punishable by up to 10 years in prison.

M. If an assault takes place on-campus: contact the Department of Public Safety at (843) 208-8911.

N. If an assault takes place off-campus: contact area police by calling 911 and the Department of Public Safety at (843) 208-8911. This phone number will call the University’s Public Safety dispatcher.

O. If the sexual assault occurred within 72 hours, a rape protocol exam can still be administered at local hospitals. However, the sooner a sexual assault is reported, the more likely evidence will still be present. To help preserve evidence, the victim is encouraged not to:
   a. bathe or douche;
   b. urinate;
   c. drink any liquids;
   d. if oral contact has occurred, the victim is encouraged to refrain from smoking, eating or brushing their teeth;
   e. if clothes are changed, soiled clothes should be placed in a paper bag (plastic destroys crucial evidence).

P. Public Safety may transport the victim to an area hospital for medical attention and a sexual assault forensic exam.
   a. If the victim does not want to contact the police immediately, a friend or relative may transport the student to the hospital. The hospital staff may also contact the University Public Safety Office and/or the police where the incident occurred, once the survivor arrives at the hospital.

Q. Medical attention is crucial to assess possible internal injuries or sexually transmitted diseases, as well as to collect medical evidence should the victim/survivor choose to pursue prosecution. The police will be contacted by the hospital to take possession of evidence collected while the victim/survivor makes a decision about whether to pursue charges.
   a. If a victim chooses not to go to a hospital, the victim is strongly urged to seek appropriate medical attention.

R. Research has shown that follow-up counseling is of significant benefit to a victim/survivor of sexual assault and/or related trauma. This counseling may be initiated at any time after an assault (from hours to years). On-or off-campus counseling and other services are available to a student victim
whether the crime was reported or prosecuted.

a. Hopeful Horizons is an off-campus resource that provides short-term counseling, as well as crisis intervention. Services are provided for all victims, no matter when the assault occurred. The 24-hour hotline number is (800) 868-2632.

b. The Counseling Center is an on-campus resource that provides free counseling visits to students. The phone number is (843) 208-8120.

c. University Housing is available to assist a victim with housing needs, such as relocation. They also have trained professional staff that can assist the victim in locating assistance and services needed. They can be reached at (843) 208-8911. Housing staff can be reached after hours at (843) 208-8371 or (843) 208-8372.

d. The Office of Housing and Judicial Affairs can assist a victim with filing a discipline complaint. The phone number is (843) 208-8722.

e. South Carolina Bar Association, Lawyer Referral Service, can assist victims in finding an attorney to represent them in civil and criminal proceedings. The phone number is 1-800-868-2284.

S. All victims of sexual assault/battery are encouraged to report the incident to law enforcement agencies. Regardless of whether the victim chooses to immediately involve law enforcement officials, the victim is strongly urged to go through the sexual assault forensic exam for medical attention and for the purpose of preserving important physical evidence of the assault, which may be used if the victim chooses to pursue legal prosecution at a later date. The sexual assault forensic exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault, recognizing that as time passes, the quality of the evidence diminishes.

T. A victim/survivor may also choose to file a report to the University’s Office of Judicial Affairs. An explanation of this procedure can be obtained by calling (843) 208-8722. The student conduct procedures are also described in a separate section below and published in the Student Handbook.

a. Whether legal or disciplinary action is desired, an anonymous report may be filed, at any time, with the Office of Housing and Judicial affairs. This report provides University staff with information about the crime that may be valuable in their efforts to prevent future crimes and educate other students about high risk areas.

b. University officials who have knowledge about an assault are required to file an anonymous report with the Department of Public Safety, (843) 208-8912 (business hours), in addition to supporting the victim/survivor and referring that person to campus resources.

Skateboarding, Bikes and Skates Policy

Sanctions, Individual Students
The following disciplinary sanctions may be imposed upon students found responsible for a violation of the Student Code of Conduct. All sanctions may be imposed either singularly or in combination. The purposes of imposing sanctions are twofold: one, to protect the University community from behavior which is detrimental to the community and/or the educational mission of the University; and two, to assist students in identifying acceptable parameters and consequences of future behavior. The sanction(s) imposed is(are) intended to correspond with the severity or frequency of violations, as well as the student’s willingness to recommit himself or herself to good citizenship through behaviors that fall within the Student Code of Conduct of the University.

Expulsion: Dismissal from the University without the ability to apply for re-admittance.
Suspension: Denial of enrollment, attendance, and other privileges at the University for a specified period of time. Permission to apply for readmission upon termination of the period may be granted with or without conditions/restrictions. Students may be required to complete a period of disciplinary probation upon their return to the University. NOTE: Any student suspended or expelled for disciplinary reasons must vacate the campus within the period of time noted in the notice of suspension. The student may not return to campus or University property during the term of the suspension without prior written permission by the Director of Housing and Judicial Affairs designee.

Conduct Probation: A period of review and observation during which a student is under an official warning that subsequent violations of University rules, regulations, or policies are likely to result in a more severe
sanction including suspension or expulsion from the University. While on conduct probation, a student may be considered to be “not in good standing” and may face specific limitations on his or her behavior and/or University privileges (see Conditions/Restrictions).

Conditions/Restrictions: Limitations upon a student’s behavior and/or University privileges for a period of time, or an active obligation to complete a specified activity. This sanction may include, but is not limited to: restricted access to the campus or parts of campus, denial of the right to represent the University in any way, denial of housing or parking privileges, required attendance at a workshop, or participation in public service.

Such property may belong to an individual, group, or the University. Restitution may be in the form of financial payment, community service, or other special activities designated by the hearing authority. Additional fines may be assessed as a punitive measure.

Housing Sanctions: These sanctions include Written Warning, Conditions, Restitution, Housing Probation, Relocation, and Removal, as described in Housing policies.

Sanctions, Student Organizations
The following disciplinary sanctions may be imposed upon student organizations when they have been found responsible for violating the Student Code of Conduct. All sanctions may be imposed either individually or in combination. Disciplinary sanctions are imposed for the purpose of holding student organizations and their membership accountable for their actions and the actions of their guest(s), whether on campus or at any organization sponsored function.

Permanent Revocation of Organizational Registration: “Permanent revocation” of the organization’s registration means revocation without leave to apply for new registration. Any organization whose registration is permanently revoked must cease all organizational activities upon receipt of the notice of permanent revocation. Any member of an organization whose registration has been permanently revoked shall relinquish any appointed or elected office held with that organization’s governing body. Balances of all organizational funds granted by the Student Government Senate Finance Committee are to be surrendered to the custody of the Senate Finance Committee. Office or housing space assigned by the University shall be vacated within five (5) work days (an organization under emergency suspension may be required to vacate space more quickly) from the date the notice of suspension is issued. Space vacated due to suspension may be reassigned to other eligible University organizations.

Suspension: Suspension means denial of rights and privileges of a registered organization for a specified period of time. Any organization whose registration is suspended or revoked must cease all organizational activities upon receipt of the notice of revocation or suspension. Any member of a suspended organization may not hold an appointed or elected office with that organization’s governing body for the duration of the organization’s period of suspension. Balances of all organizational funds granted by the Senate Finance Committee are to be surrendered to the custody of the Senate Finance Committee. Office or housing space assigned by the University shall be vacated within five (5) work days (an organization under emergency suspension may be required to vacate space more quickly) from the date the notice of suspension is issued. Space vacated due to suspension may be reassigned to other eligible University organizations. Leave to reapply for registration as a student organization may be granted with or without qualifications. Office or housing space assigned prior to suspension will not automatically be reassigned. The organization may reapply for a space assignment, subject to availability. Suspended organizations will automatically be placed
on probationary status for a minimum of one academic year following their renewed registration.

Conduct Probation: A period of review and observation during which a student organization is under an official warning that their misconduct was very serious. Subsequent violations of University rules, regulations, or policies could result in a more severe sanction including suspension. During the probationary period, a student organization is deemed “not in good standing” with the University and may be subject to one or any combination of the following conditions and/or restrictions: Denial of the right to represent the University; Denial of the right to maintain an office or other assigned space on University property; Denial of the privileges of:

a. Receiving or retaining funding;

Such property may belong to an individual, group, or the University. Restitution may be in the form of financial payment, public service, or other special activities designated by the hearing authority. Additional fines may be assessed as a punitive measure.

Disciplinary Procedures, Individual Violations
The following is a format of rights, responsibilities, and procedures to be used in assuring fundamental fairness in disciplinary proceedings involving one or more students or student organizations accused of an infraction of the Student Code of Conduct.

Jurisdiction and Resolution of Complaints
University Housing - Incidents allegedly involving students living in University Housing and/or which occur in University Housing are resolved by University Housing staff and may be referred to the Office of the Director of Housing and Judicial Affairs. Specific procedures for adjudicating these cases can be found under the “Housing” section of this handbook. The Office of Housing and Judicial Affairs resolves alleged violations by individual students and student organizations as well as Housing.

Investigation of Complaints - Office of Housing and Judicial Affairs
Upon receiving a complaint of misconduct, or upon his or her own initiative, the Director of Housing and Judicial Affairs or designee may review relevant evidence and consult with relevant parties regarding the incident in question. If the evidence warrants disciplinary action, the Office of Housing and Judicial Affairs will send written notification to the accused student or student organization representative indicating the nature of the activity in question and what University rules were allegedly violated.
Options for Resolution of Disciplinary Charges - Office of Housing and Judicial Affairs

The student or student organization representative is given the opportunity to meet with the Director of Housing and Judicial Affairs or designee for a pre-administrative hearing to discuss the charges. In the pre-administrative hearing the incident report, the student’s/student organization’s rights and the various resolution options available will be reviewed with the student or student organization’s representative. The student or student organization’s representative will then be given the following two options:

1.) Accept Responsibility – The student or student organization’s representative accepts responsibility for the policy violation and all sanctions assigned by the Director of Housing and Judicial Affairs or designee. By accepting responsibility at the pre-administrative hearing, the student or student organization waives their right to an administrative hearing or judicial board hearing.

2.) Does Not Accept Responsibility – The student or student organization representative does not accept responsibility for the alleged policy violations. The pre-administrative hearing officer may either decide to drop the charges if they are unsupported by evidence, or offer the following options to resolve the charges through an administrative or judicial board hearing (explained in the following section).

If the student fails to meet with the Director of Housing and Judicial Affairs or designee a hold may be placed on the student’s registration preventing him/her from registering for future classes until the matter is resolved. Additionally, the student may be charged with a violation of the “failure to comply” provision of the Student Code of Conduct (section 5.15). A student organization may be restricted from any or all activities until the representative meets with the Director of Housing and Judicial Affairs or designee.

Options for resolution of disciplinary charges:

Mediation - An agreement to participate in a mediation process. This option is reserved for situations where all of the immediate parties in the incident agree to have a conflict resolved in this fashion, and the option is considered appropriate by the Director of Housing and Judicial Affairs or designee. Failure to fulfill the terms of a mediation agreement could lead to reactivation of the charges as well as additional disciplinary action.

Administrative Hearing - An informal hearing with the Director of Housing and Judicial Affairs or designee (the Director of Housing and Judicial Affairs or designee may decline to hear the case in this manner and require one of the following two options). An administrative hearing allows the charged party (ies) to present evidence for consideration and suggest witnesses that the Director of Housing and Judicial Affairs or designee may consider interviewing before a decision is rendered. The Director of Housing and Judicial Affairs or designee may contact other parties who have knowledge/information regarding the incident in question. The charged student (s) /student organization representative waives the right to question such parties or otherwise participate in an evidentiary hearing. Within ten (10) business days of this hearing, barring special circumstances requiring an extension of this time limit, the Director of Housing and Judicial Affairs or designee will send the charged party(ies) a letter that indicates the finding of “responsible” or “not responsible” for the charges, and any sanctions imposed subsequent to a finding of responsibility.

Formal University Judicial Board - A formal hearing before the Judicial Board.

The Judicial Board shall consist of at least five (5) members selected by the Director of Housing and Judicial Affairs or designee from a pool of student members; faculty members appointed by the Chairperson of the Faculty Senate or designee, and administrative staff members appointed by the Director of Housing and
Judicial Affairs or designee. Faculty members are appointed for staggered two (2) year terms, staff members are appointed annually, and student members are selected annually. University Judicial Board Hearings are tape-recorded.

Within ten (10) business days of this hearing, barring special circumstances requiring an extension of this time limit, the Director of Housing and Judicial Affairs or designee will send the charged party(ies) a letter which indicates the finding of “responsible” or “not responsible” for the charges, and any sanctions imposed subsequent to a finding of responsibility.

NOTE: Should a student fail to appear for an Administrative Hearing or a Judicial Board Hearing, that student may be considered as having waived his/her right to represent themselves in the hearing and a decision may be made in their absence.

**Judicial Board**

Selection, Composition and Dismissal: The Judicial Board is comprised of a pool of student members selected by the Director of Housing and Judicial Affairs or designee, and volunteer faculty and staff members, approved and selected by the Director of Housing and Judicial Affairs. Non-faculty members are appointed/selected/approved annually.

For a University Judicial Board Hearing, the Board will form a hearing panel. It shall consist of at least five (5) members, selected by the Director of Housing and Judicial Affairs or designee. Should a quorum not be available for a hearing, the Director of Housing and Judicial Affairs may appoint ad-hoc members to this Board to hear the case. Decisions will be by majority vote of the hearing panel. The Board will elect a Chair prior to the hearing. With the voluntary consent of the Director of Housing and Judicial Affairs and the charged party (ies), the provisions related to Board composition and quorum may be waived in order to expedite the scheduling and completion of hearing procedures. A majority vote of the hearing panel is needed to reach a decision regarding a finding and, if appropriate, a sanction.

Members have a right to recuse themselves from a case. If challenged by the person whose case is being heard, a member may be excused for cause by the chairperson of the panel. Cause will be determined by the Board members and any alternates present.

Members of the Judicial Board who are charged with any violation of the Student Code of Conduct or with a criminal offense may be temporarily suspended from their position on the Board. Student members found responsible for any such violations or offenses may be permanently or temporarily removed from their position. All removals shall be administered by the Director of Housing and Judicial Affairs based upon sufficient evidence and cause for action.

**Rules Governing Formal Hearings**

When a student/student organization representative chooses an option of a formal administrative hearing, or a Hearing before the Judicial Board, the Office of Housing and Judicial Affairs shall set a date and place for a hearing and notify those charged, the Judicial Board and relevant witnesses and participants as to the scheduling of the hearing.

Hearings shall be considered closed and confidential. All statements, information, or comments given during hearings shall be held in strictest confidence by Judicial Board members, University staff, witnesses, advisors, and observers before, during, and after deliberation in keeping with relevant law and policy. Video, audio, stenographic, or photographic recording of hearing proceedings are prohibited, except as authorized by the Office of Judicial Affairs.

If any material facts are in dispute, testimony of witnesses and other evidence shall be heard.

A party charged with a violation is responsible for presenting his/her own case. Advisors are not permitted
to speak or to participate directly in any hearing.

The Chair of the Judicial Board, with assistance of the representative for the University, will exercise control over the hearing to avoid needless consumption of time through repetition of information and/or prevent the harassment or intimidation of participants. Any member of the Judicial Board may require the Board to go into private session to discuss and decide a matter by majority vote. The Chair can recess the hearing at any time. The Chair of the Judicial Board shall insure that all procedures are appropriately followed.

The party (ies) charged with a violation(s) and the Board members shall have the right, within reasonable time limits set by the chair, to present questions for witnesses who testify orally. The Board Chair, subject to provisions in the Student Code of Conduct, may require that questions by the charged party (ies) be addressed to the Judicial Board Chair who can ask these questions of the witnesses.

All hearings shall be conducted in an informal manner and technical rules of evidence will not be applied. Witnesses (except for the charged party or parties) shall be present during a hearing only during the time they are testifying.

The Judicial Board may proceed independently to secure evidence for the hearing. The charged party (ies) shall have access to any evidence at least three (3) days before the hearing, unless exigent circumstances preclude this possibility. The charged party (ies) shall have reasonable time to respond to it.

A staff member from the Office of Housing and Judicial Affairs serves as an ex-officio member of the Board, and may assist in administering the hearing by answering questions regarding procedural issues. This representative may also facilitate the deliberation process, as well as aid in maintaining order at the hearing. The Office of Housing and Judicial Affairs may authorize University agents to be present to advise the Judicial Board.

If the charged student/student organization representative chooses not to attend the formal hearing, the Judicial Board may proceed with the hearing and reach decisions and impose sanctions without the student’s/representative’s participation.

A tape or video recording of the hearing shall be kept by the Office of Judicial Affairs until any appeal or any external judicial review has been concluded, or ninety (90) days from the date of the hearing, whichever is longer. No typed record shall be required. The charged party (ies) and advisor shall have the right, upon request, to listen to the recording in the presence of a staff member from the Office of Housing and Judicial Affairs.

The charged student or student organization representative may request a duplicate copy of the recording at his/her/its own expense within a period of ninety (90) days from the date of the hearing.

**Deliberation and Decisions of the Judicial Board**

After hearing the evidence, the Judicial Board Chair may choose to continue the hearing at a later date if additional evidence or witnesses are needed. After all information has been presented and the charged party has made a final statement, the Judicial Board shall meet in private to discuss the case, reach its decision, and if appropriate, determine a sanction.

Decisions of the Judicial Board must be by majority vote. If the student(s) is(are) found responsible of violating the Student Code of Conduct, the Judicial Board may hear any information concerning any past disciplinary
record(s) of the student(s) or student organization(s) in determining an appropriate sanction(s). The Director of Housing and Judicial Affairs, or designee, shall be responsible for forwarding the written decision of the hearing authority to the charged party (ies). The letter from the hearing authority shall consist of:

a. findings of the hearing authority;

b. sanction(s); and

c. statement regarding the right to appeal and the appeal procedures.

**Appeals - Office of Judicial Affairs**

Decisions of the Director of Housing and Judicial Affairs or designee, or from a Judicial Board Hearing, may be appealed by a student/student organization found responsible for a violation to the Vice Chancellor for Student Development. Appeals must be made of the decisions or outcomes of judicial cases, not the assigned sanctions. The reasons for an appeal are limited to the following:

- The original Judicial Board committed a procedural error in hearing the case which significantly prejudiced the findings of the Judicial Board; and/or, new evidence, which could not have been available at the time of the hearing, and which is material to the outcome of the case, is available.

All appeals must be made in writing within five (5) University business days of receipt of the original written decision to the Office of Housing and Judicial Affairs who will submit it to the Office of the Vice Chancellor for Student Development. A decision is assumed to be received three (3) University business days from the date of mailing. After review, the Vice Chancellor for Student Development or designee may either: (a) affirm the finding(s) of the original hearing authority, in which case the decision is final; or (b) remand the case to the original hearing authority for further proceedings with directives to attend to procedural errors or new evidence.

In extraordinary circumstances, the Vice Chancellor for Student Development or designee may direct a new hearing with the Judicial Board. All deadlines expressed in any section are subject to change if exigent circumstances exist.

The Vice Chancellor of Student Development or designee shall send written notification of the decision regarding the appeal to the appealing party within fifteen (15) University business days of receiving the appeal barring special circumstances requiring an extension of this time limit. A copy of the decision will be sent to the original Judicial Board and the Director of Housing and Judicial Affairs.

The decision of the Vice Chancellor of Student Development in all appellate matters is the final decision for the University.

**General Provisions**

The following provisions apply to participants in all hearing processes conducted by the University or conducted by the University’s delegated authority.

expedite the hearing process.
3. The right to be notified of the date, time, and place of formal hearings at least three (3) University business days prior to the hearing.
4. The right to know the nature and source of the evidence used in a hearing process. This includes the right to review all documents and exhibits to be introduced at a hearing as well as a list of witnesses asked to testify at the hearing, upon the student’s request.
5. The right to present evidence on one’s own behalf.
6. The right to elect not to appear at the hearing, in which case the hearing shall be conducted in the absence of the charged party(ies).

   a. Advise the accused regarding preparation for the hearing;
   b. Accompany the accused to all disciplinary proceedings;
   c. Have access to evidence to be introduced at the hearing.

NOTE: Advisors are not permitted to participate directly in the hearing process, or to speak for the charged student(s) or student organization(s).

Additional Rights of Victims of Sexual Assault
Alleged victims of sexual assault are afforded these additional rights, pursuant to the signing of a confidentiality agreement:

2. The right to be notified of the date, time, and place of formal hearings at least three (3) University business days prior to the hearing;

4. The right to appeal the decision of the hearing authority through the formal appeals process.
NOTE: For further information regarding accommodations and rights consult the Campus Sexual Assault Policy.

The University reserves the right to withhold the diploma and/or degree certification of students who have been charged with a violation of University policy even though they may have completed all academic requirements. In circumstances where dismissal is a possibility for disciplinary infractions, the diploma and/or degree certification may be withheld until the disciplinary charges have been resolved and/or sanctions completed.

When a case involves Student Code of Conduct charges against more than one party, the hearing authority shall have the option of choosing the hearing option for all parties and holding one hearing to resolve charges against all parties. Any accused student/student organization will have the right to have separate time during the hearing to discuss their particular case with the Judicial Board without the other parties being present. If a party(ies) charged with a violation of the Code of Conduct, regardless of which hearing authority may hear the matter, wishes to have the hearing postponed because there is pending or possible civil or criminal litigation which he/she feels might be prejudiced by the findings of a disciplinary process, such postponement may be granted by the Director of Housing and Judicial Affairs or designee, provided that the student agrees to accept conduct probation or suspension in the interim, which may include being banned from parts of or the entire campus and/or other conditions/restrictions. The student shall be informed of what the interim action will be prior to his or her decision to postpone a hearing. The University also has the right to choose to postpone a hearing pending the outcome of a criminal or civil process.

Any person charged with a violation of University rules shall have, when needed, the aid of the University in the reasonable attainment of the information necessary to answer the charges, or requesting the attendance of witnesses at the hearing. When a witness is unable to attend a scheduled hearing, the Office of Judicial Affairs may, if it does not conflict with due process requirements, authorize the witness to make a signed statement that may be introduced at the hearing.

Sanctions imposed by any of the hearing authorities noted (not including Emergency Action) may not be implemented until the internal University appeal process or time period for an appeal has been exhausted.

The charged party (parties) is/are responsible for presenting his/her own case; advisors are therefore not permitted to speak to the hearing authority or participate directly in any hearing.

The standard of proof utilized in all hearings and appeals to resolve Student Code of Conduct charges shall be that of “preponderance of evidence”.

Deviations from prescribed procedures will not necessarily invalidate a decision or proceeding unless significant prejudice to the charged student or student organization is shown to have resulted.

Unless otherwise stated, extended in writing, or in exigent circumstances, the time limit for a decision-maker to issue a decision is twenty (20) University business days from the date of the first meeting with the charged student. For good cause, a decision-maker may extend time limits for decisions. Good cause shall include, but not be limited to, the fact that a deadline falls during finals week or during a period such as vacations, finals week, holidays, inter-sessions, summer sessions, or if decision-makers are absent from the University.

The decision of the Vice Chancellor for Student Development in all appellate matters is the final decision for the University. However, the Chancellor has the discretionary authority to review decisions at the Vice
Chancellor level or below, and the Board of Trustees has the discretionary authority to review decisions of the Chancellor. Such review of disciplinary decisions will take place only in extraordinary cases, such as where serious procedural issues seem to have occurred or where the decision appears to be in direct violation of University policy. Requests for such review normally will be considered only after the prescribed avenues of appeal have been completed. Requests shall be made by written statement that includes the facts of the case, the type of hearing and appeal and the reasons justifying extraordinary review. Such requests must be filed in the Office of the Chancellor within five (5) University business days of the receipt of the appeal decision. If review is granted, the reviewing authority will determine appropriate procedures. New evidence will not normally be considered.

Emergency Action
The University may impose emergency action upon a student or student organization when there is reason to believe, based upon available evidence, that the student/student organization poses an immediate threat to the safety, health or welfare of persons, property or the orderly operation of the University. This action is warranted by potential or threatened danger or disruption, and indicated only when the serious nature or immediacy of the threat requires immediate action. The action is interim in nature, pending the outcome of disciplinary procedures. Emergency action authorized by this policy includes:

Disturbances Related to Mental Health Concerns - the policy outlining how the University may respond to any disturbances by a student that may be related to a mental health concern. The definition of disturbances related to mental health concerns includes, but is not limited to the following behaviors: Self injurious behaviors such as: Overt, self-injurious behaviors (e.g. actions indicating a suicide attempt, self-inflicted wounds, ingestion of toxic substances, overdoses of prescribed medicines.) Other behaviors related to this policy are: (1) Threats of self-injurious behaviors; (2) Threats of damage to property or other persons; (3) Interference with the normal operations or activities of the University its students, faculty and staff; (4) Acts indicating that the student is out of contact with reality and/or unaware of the consequences of his/her actions.

The Office of Housing and Judicial Affairs, when made aware of such behaviors, will work with the University Housing, and any offices involved or necessary to determine the best course of action for the University and the involved student(s) according to the procedures outlined in the Behavioral Intervention Team protocol. This action may include the student’s immediate removal from the University or from University Housing. The University, through the Director of Housing and Judicial Affairs or a designee, may additionally require a student to engage in a cooperative, committed relationship with an appropriate outside counseling or psychiatric agency before continuing as a student at the University.

The University may also require that a student provide information from an outside counselor, counseling agency, or psychiatrist indicating the student’s ability to continue at the University to the Director of Housing and Judicial Affairs or a designee. The Director of Housing and Judicial Affairs or a designee will make a determination regarding the student’s status.

Any other departments, faculty, and staff determined to have a “need to know” will be notified by the Director of Housing and Judicial Affairs or a designee. Examples of such offices/departments/staff with a “need to know” include, but are not limited to: University Housing, the Office of Judicial Affairs, the Disability Services Office, appropriate medical personnel, the Office of Financial Aid, Department of Public Safety, Office of Opportunity Scholars Program and the Department of Student Life. Additionally, if it is determined by a mental health professional that contacting the family or guardian is appropriate, they may do so in concert with the Director or Housing and Judicial Affairs.
In all cases, the Director of Housing and Judicial affairs will notify the student as soon as is reasonably possible regarding their decisions; and the student will be given an opportunity to speak with a counselor or mental health professional as soon as reasonably possible.

Emergency Removal: In cases determined to warrant immediate action, The Director of Housing and Judicial Affairs or a designee shall contact the Vice Chancellor for Student Development to initiate an emergency removal from the University.

Appeal: Should a student wish to appeal a decision of the Director of Housing and Judicial Affairs, the appeal must be made in writing to the Vice Chancellor for Student Development within five (5) University business days of the receipt of the decision. All decisions sent to the student via US mail will be considered received in three (3) business days. The decision of the Vice Chancellor for Student Development is the University’s final decision.

Emergency Suspension, Individual Student(s) - This action requires a student to leave University property immediately, and not return during the suspension period, and/or comply with other stated conditions for a specified period. Emergency suspension may be used to temporarily suspend a student’s eligibility for enrollment or attendance, as well as for denial of the student’s access to University facilities or property. The Office of Judicial Affairs may impose emergency suspension.

Emergency Limitation of Privileges, Individual Student - This action may place a limitation on a student’s eligibility to enjoy certain privileges, or participate in or attend certain events (or certain kinds of events) without the suspension of enrollment status. This action may prohibit a student’s presence on University property or certain facilities, or impose conditions that must be met in order for that student to enjoy certain privileges, participate in activities, or attend events. The Office of Judicial Affairs may impose this action.

Emergency Suspension and/or Restriction, Student Organization - This action may suspend or restrict a student organization for an interim period of time pending the outcome of disciplinary proceedings when there is reasonable cause to believe that the continued activities of the organization and its members may pose an immediate threat to the safety, health or welfare of persons, property or the orderly operation of the University. During the time of suspension the organization may be required to cease all organizational activities and vacate any assigned University space immediately upon written notice. This action may be imposed by the Office of Judicial Affairs for all student organizations, or the Office of Student Life.

When emergency action is taken against a student or student organization the student or student organization representative is given notice explaining the nature, reason for, and duration of the action, as well as any conditions that may apply. A student notified of such action shall, upon written request, be given an opportunity to meet with the University authority taking the action within five (5) business days from the date of the request. This meeting shall be held to consider only the following issues related to the emergency action: a. The reliability of information alleging misconduct; and b. Whether the conduct or surrounding circumstances reasonably indicate the student’s presence on campus or continued unrestricted participation in campus affairs or the organization’s unrestricted activities would pose an immediate threat to the safety, health, or welfare of persons or property and/or interfere with the orderly operation of the University. It is not the purpose of the meeting to hear evidence concerning guilt or innocence related to pending or possible charges against the student.

Any student who is suspended on an emergency basis and returns to the campus or University property and/or violates other stated conditions during the specified period shall be subject to further separate action and may be treated as a trespasser. Permission to be on campus for a specific purpose must be requested
and obtained in writing or by telephone from the Office of Judicial Affairs or designee prior to any conduct contrary to the suspension or restrictions.

Following the imposition of emergency action, standard University disciplinary procedures shall be provided as expeditiously as possible.

**Retention of Student Discipline Records - Office of Judicial Affairs**

Type of Records - Records subject to this policy include, but are not restricted to the following:

- Judicial Board reports and decision statements which have been forwarded to the Office of Judicial Affairs for retention;
- Office of Housing information and documentation, which have been forwarded to the Office of Judicial Affairs for retention or action;
- Department of Student Life information and documentation which have been forwarded to the Office of Judicial Affairs for information or action;
- USCB Department of Public Safety Incident and Reports forms which have been forwarded to the Office of Judicial Affairs for information or action;
- Records of disciplinary proceedings.

The student records of cases which have been resolved with a sanction less than suspension or expulsion will be maintained in the Office of Judicial Affairs for 6 years from the last day of the spring semester of the academic year of the offense. Students graduating before that time may petition the Office of Judicial Affairs in writing to request that their records be destroyed upon graduation. Records may be retained by the University beyond the normal 6 year period in special circumstances, including, but not limited to, situations when off-campus legal action is taken by any party (ies) involved. When a date for purging records has been reached, records in all formats are to be destroyed. (NOTE: Statistical database may be retained but all information that would identify an individual will be removed.) Records where the discipline sanction was suspension or expulsion will be maintained for a period of at least ten (10) years from the date of the last incident.

**Parental Notification Guidelines (regarding violations of alcohol and drug policies)**

In keeping with federal legislation, the University of South Carolina Beaufort (USCB) and the Office of Judicial Affairs (OJA) have adopted the following:

Parents/guardians may be notified when the following circumstances apply:

1. The student is under 21 years old at the time of offense.
2. This student is found “Responsible” for a violation of the University’s drug or alcohol policies, and:
   a. The student is placed on either University or Housing probation. This places the student on notice that any additional offense may affect either of these privileges, or
   b. The resulting sanction(s) affects the student’s availability to live on campus or attend the University (e.g. housing removal/relocation, suspension, or expulsion).

Because not all Student Code of Conduct violations involve alcohol or drug policies and result in this level of sanctioning, parents will not automatically be notified when their student becomes involved in the disciplinary process. The University, however, reserves the right to notify a student’s parents of legal guardian whenever the first two criteria alone are met. Additionally, if parents would like information regarding their student’s disciplinary history or status at the University from the Office of Judicial Affairs, they can request that their son/daughter sign a Waiver of Confidentiality Form allowing the Office of Judicial Affairs to release that information. These forms are available at the
Note: If your student meets the legal standard for “independent status” (e.g. for tax purposes), then parents will not be notified without the student’s expressed written consent.

STUDENT LIFE
USCB’S Office of Student Life encourages student involvement on each campus and provides a variety of entertainment and educational programs, leadership and development workshops and various activities in which students are encouraged to participate.

FRATERNITIES AND SORORITIES (SOCIAL)
USCB has five recognized social fraternities and sororities: Alpha Kappa Alpha, Kappa Alpha Psi, Phi Mu, Zeta Phi Beta, and Zeta Tau Alpha. USCB requires that students must meet the following requirement to be eligible to join a social fraternity or sorority: completed 12 credits hours at the college level, be a full-time student, and have at least a 2.3 GPA. In the 2014-2015 academic year, USCB welcomed Greek letter social organizations. Zeta Phi Beta and Zeta Tau Alpha (women’s) and Delta Chi (men’s) were the first organizations who agreed to establish chapters at our institution. Following the inaugural year, the following organizations established chapters at USCB: Phi Mu (2015-2016), Alpha Kappa Alpha (2016-2017), and Kappa Alpha Psi (2017-2018). Additional groups will be added in the coming years.

ORIENTATION
Orientation programs are offered for all new freshmen and transfer students. Orientation is designed to ensure a smooth transition by familiarizing students with the policies, procedures, opportunities and people associated with USCB. Several orientation programs are scheduled before the beginning of the fall semester.

Orientation to USCB culminates with Sand Shark Welcome Week during the first week of classes. The orientation process which is done over a period of time and may involve more than one program, involves:

- Correspondence to students that acknowledges their applicant status and informs them of advising and registration dates
- Placement testing
- Information regarding:
  - University resources, policies and procedures
  - Academic advising
  - Registration for classes
  - Student life
  - Degree program requirements
  - Fee payment and financial aid information
  - The transition from high school to college
  - The introduction to faculty and staff as well as continuing and other students
• Recognizing the important role of family in the success of the new student at USCB by offering a special orientation for families and guests that occurs simultaneously with new student orientation.

**Procedure for Posting Flyers, Announcements, etc., On Campus**

Posters are only permitted in campus buildings on designated bulletin boards. Posters may not be attached to interior or exterior walls, doors, windows, ceilings or floors. Maximum size for posters is 14” x 21” (half poster-board size).

All posters not affixed to bulletin boards will be removed.

Exceptions may be authorized by the Director of Student Life prior to distribution. Each organization is responsible for removing any materials placed on a bulletin board. Posted materials should have a removal date printed on the document. All signs and posters should be typed. Only as a last resort should handwritten signs be posted.

Other marketing avenues, including the weekly email and campus chronicle, are available for advertising. Requests for inclusion in those materials can be submitted by completing the publicity request on OrgSync.

**STUDENT ACTIVITIES**

An important part of attending college is the opportunity to participate in student activities. The university encourages and fosters many co-curricular activities and organizations that are designed to complement and enhance the academic and social life of its students. The richness of the college experience depends on how much the student is involved in the activities of the institution.

Any person who is admitted, enrolled, or registered for study at USCB for any academic period is considered a student and eligible to participate in student activities. In addition, persons who are not officially enrolled for a particular term but who have a continuing student relationship with USCB are also considered students.

There are many student organizations and committees on USCB’s campuses offering opportunities for student involvement. Campus clubs and organizations include a variety of special interest groups, service groups, social groups, club sports and academic honor societies. The Student Lounge provides a comfortable lounge setting, snack facilities, meeting and work area for student organizations.

In fall 2009 USCB opened the Campus Center on the Bluffton Campus which houses the Sand Bar Dining Hall, Sharks’ Cove Bookstore, Office of Student Life, Office of Housing & Judicial Affairs, programming space and student lounge. University of South Carolina Beaufort student activities are funded from a portion of student fees. These activities offer students a chance to apply and expand upon their classroom experiences.

Student organizations routinely sponsor events for the entire USCB campus community as well as for their own memberships. Programs related to distinctive community service, social, leadership, media and academic interests are coordinated by clubs and organizations on both the Beaufort and Bluffton Campuses. The opportunity to gain knowledge and experience in various fields is provided by
participation in organizations with academic connections while service organizations provide participation in community affairs and allow students to volunteer support for various worthwhile causes. In most cases, membership is open to all students. Students interested in joining student organizations should contact the Office of Student Life by calling (843) 208-8363 or by emailing uscblife@uscb.edu.

STUDENT CLUBS AND ORGANIZATIONS

Student clubs and organizations are formed by the USCB students in cooperation with faculty and staff advisors and the Office of Student Life. Students are encouraged to take advantage of the opportunity to participate in the following recognized student organizations as members and officers. Depending on the needs expressed by USCB’s changing student body, organizations may become temporarily inactive or additional clubs reflecting new interests may be added to provide further offerings.

For a complete listing of the registered student organizations, please go to OrgSync.com and log into USCB’s page using your USCB username and password.

Chartering a New Student Organization

Organizations that wish to use university facilities and privileges must be officially recognized through a procedure administered by the Office of Student Life. The chartering of new student organizations and use of campus facilities can happen at any time of the year, while applications for funding are made available during the spring semester through the Office for Student Life and Student Government Association. Recognition is obtained by submitting completed registration forms, membership lists and a constitution.

Students interested in forming a new organization may complete the New Student Organization Registration form on OrgSync. When completing the form, students will be asked to provide the following information:

- Organization Name
- Purpose
- Proposed functions or activities
- Names of executive board members (minimum of 4)
- Name of and approval from faculty/staff advisor
- Organization constitution
- Proposed budget request of SGA (if any)

After the form has been completed, the student will need to attend the Student Organization Orientation Training before the registration process is complete.

Official recognition of a student organization does not by itself constitute any type of endorsement, sponsorship, or liability by USCB.

STUDENT GOVERNMENT

The USCB Student Government Association (SGA) provides students with the opportunity to participate in student activities planning and to cultivate leadership skills in the legislative process. SGA is the official voice of the students. The objectives of SGA are:

To act as a channel through which student concerns and questions may be brought to the university
administration;

- To distribute fees paid into the SGA treasury to the affiliated student organizations and other special projects;
- To encourage a spirit of cooperation and understanding within the university and the community;
- To have representation on the appropriate faculty and institutional committees and to play a role in institutional decision-making.
- All full or part-time students registered at USCB are members of SGA and are subject to the SGA Constitution by virtue of their registration. Every member is encouraged to vote in SGA elections; and all students are encouraged to attend SGA meetings, voice concerns and questions and seek elected positions. SGA is committed to promoting cultural diversity through the acceptance and understanding of the needs of the student body and administration. If you are interested in learning more about SGA, stop by the SGA office in the Campus Center on the Bluffton Campus or call (843) 208-8121.

STUDENT LOUNGES
The Student Lounges are provided on both campuses for the enjoyment and use of all students. The Student Lounge on the Beaufort Campus is located in the north end of the Sandstone Building and at the Bluffton Campus in the Campus Center. Snack machines and recreational activities are available in both locations.

STUDENT PUBLICATIONS
A variety of mechanisms have been established at USCB to foster good communication on campus. Special-interest bulletin boards are identified and available at different sites for various clubs, organizations and special interests. In addition, several boards are available to post job opportunities, personal ads and general notices. If you have any questions or suggestions for ways to improve campus communication, please see the Director of Student Life.

Student Publications Policy
Decisions regarding the content of student publications are the responsibility of the student editorial members. The faculty/staff advisor acts as a facilitator and liaison. Decisions should adhere to South Carolina libel laws and community standards regarding published materials.

INCLEMENT WEATHER
When inclement weather is approaching the area, please check the local emergency broadcast radio facilities (WYKZ 98.7 FM) for information regarding the closure and re-opening of USCB. The USCB website will also provide this information. Emergency weather information is also sent via text and email messages within the Emergency Alert System (EAS). All students are encouraged, through V.I.P., to sign up for this very valuable service. Details are available on the uscb.edu homepage. In the event of a hurricane evacuation, USCB will be closed and secured. No one is to enter the Beaufort, Bluffton, or Hilton Head Campuses until a reopening announcement is broadcast. As long as telephone service is available, contact (843) 208-8000 for updates on the situation.

ATHLETICS

Intercollegiate athletics began at USCB in the fall of 2007 with men's golf and men's and women's cross country. The Sand Sharks now boast nine programs - baseball, softball, women's soccer, men's and women's golf, men's and women's cross country, and men's and women's track and field - eight of which have sent teams or individuals to the national championships in their respective sports. The athletics department will continue to grow and add new programs as the university grows.

USCB is a member of the NAIA and the Sun Conference. Athletic Director Quin Monahan and his staff of coaches encourage prospective student-athletes to visit the athletics website www.uscbathletics.com, fill out the questionnaire and submit it to the athletic department.

Please visit the website to check the schedule and keep up with all the latest news about the Sand Sharks throughout the school year.

For more information, contact the USCB Athletics Department at (843) 208-8067 or e-mail athletics@uscb.edu. Please visit the website to check the schedule and keep up with all the latest news about the Sand Sharks throughout the school year.
CAMPUS RECREATION

Sand Shark Recreation Center
At 22,581-square-feet, the recreation center forms the nucleus of the Sand Shark Recreation Complex, now evolving in an area adjacent to the Library. The heart of the recreation center is the gymnasium, which encompasses two basketball courts that provide indoor workout space for athletic teams as well as a site for intramural sports ranging in scope from student volleyball leagues to faculty and staff pickup games of basketball.

In addition to the gymnasium, the Sand Shark Recreation Center includes a fitness center, group exercise room, athletic training room, and the new headquarters for Sand Shark Athletics.

The Fitness Center of USCB features elliptical cross-trainers, recumbent and upright bikes, treadmills, Stairmasters, free weights, and Legend Fitness strength training equipment. Its convenient operating hours from early morning to late at night allows students to workout at a time that best suits their busy schedule.

Adjoining the recreation center are four acres of athletic fields for student intramurals and recreation.

Sand Shark Recreation Center Hours
Monday - Friday: 8am - midnight
Saturday-Sunday: 10am – midnight

*Fitness Classes* are also offered throughout the week including: Yoga, Cardio Kickboxing, Zumba, Boot Camp, and Circuit Training

INTRAMURALS
USCB encourages participation in activities that promote healthy lifestyles, social interactions, and leadership skills. USCB offers a variety of intramural activities for students, including: Flag football, basketball, indoor/outdoor soccer, kickball, whiffle ball, tennis, indoor/outdoor volleyball, pickle ball, ping pong, and ultimate Frisbee.

CLUB SPORTS
A club sport is a registered student organization which provides a program of instruction, recreation, and/or competition in a specific sport or recreational/physical activity. Club sports take more investment and commitment than intramural sports. While intramural league teams will play about once a week, clubs will practice, on average, 2-3 times per week. Depending on the club, the financial investment can be greater as well. Most clubs have dues, along with personal costs coming throughout the semester (travel, uniforms, etc.) Club sports will also travel to other schools to play or have other schools come here to play. Intramural teams only play against other USCB intramural teams. Finally, a large component of Club Sports is the presence of an instructional element. Students participating in club sports should be receiving coaching and instruction to improve their skills within their sport. Intramurals does not provide or require this element. Club sports are organized and managed by students. They range from competitive to recreational and are funded through student activity fees, club fundraisers, and membership dues. Clubs compete against other university club teams.

The course content is the same as the traditional, on-campus course.

INFORMATION AND TECHNOLOGY

ON-CAMPUS COMPUTERS
USCB maintains computers for currently enrolled students, faculty, and staff. These are located on the Beaufort Campus in the Library in the Sandstone Building and on the Bluffton Campus in the Library. All computers have high-speed internet access, as well as course-specific software and Microsoft Office Professional Suite. Printing is available at a per page cost, in the libraries.

STUDENT E-MAIL
University e-mail system accounts are issued automatically when students are accepted with USCB. This e-mail account will be used for all official University correspondence and should be checked frequently for University-related e-mail. The University e-mail system offers an easy-to-use web interface. If students prefer to use a different e-mail address, they will have the opportunity to register their preferred e-mail account when logging into SSC (Self Service Carolina).

Students may access the University e-mail system via outlook.com/email.uscb.edu. First-time users must set their password by going: my.sc.edu. Please note your email login for Outlook Live is <networkusername>@email.uscb.edu. To learn an assigned username and to set your password, go to my.sc.edu and click “View my IDs and manage my passwords” and log in using your VIP ID and password. Under “Network Username”, you will see your username listed. From there, click “Manage
Password” to set/reset your password.

ID CARDS
All students are required to obtain a Student ID card. USCB identification cards are required to check out books from the libraries, use the student meal plan in the Sand Bar, rent books from the Shark's Cove Bookstore, and enter the weight room or intramural courts in the Recreation Center. The USCB ID card entitles students to check books out of the USCB Beaufort Campus and Bluffton Campus libraries, as well as the Beaufort County and Technical College of the Low country libraries.

If a student lives in Palmetto Village, their ID card will be used as card access for the gates and the main door to their apartment.

Student’s meal plans are loaded to the student's ID cards at the beginning of each semester.

ID cards can also be used as declining balance cards for the Shark’s Cove Bookstores and the Hawk’s Nest Café. Funds may be loaded onto the cards through the student’s CarolinaCard account in Self Service Carolina. Go to my.sc.edu and click the “Manage CarolinaCard Account” option to check balances, load funds, or other options.

A student shall be considered missing when they are absent from the residential facilities for 24 hours with no known legitimate reason. All reports of missing students shall be directed to the USCB DPS officer on duty. USCB DPS and the Vice Chancellor for Student Development shall make a determination if the student is considered missing in accordance with this policy. All students shall have the opportunity to identify an individual to be contacted by USCB if the student is determined to be missing. If the missing student is under 18 years of age, USCB is required to notify the parent or guardian within 24 hours of determination the student is missing. USCB DPS will notify an appropriate authority not later than 24 hours after a student is determined missing. The Vice Chancellor for Student Development shall have the responsibility to make this Policy and Emergency Guidelines available to residential students and to collect the pertinent contact information.

PROCEDURE AND EMERGENCY GUIDELINES
At the beginning of each academic year, USCB will inform students residing in campus housing that the university will notify either a parent or an individual selected by the student not later than 24 hours after the time the student is determined to be missing. This will include the following:

1. Students have the option of identifying an individual to be contacted by USCB not later than 24 hours after the time the student has been determined to be missing. Students can register this confidential contact information through the Housing Office.
2. If the student is under 18 years of age, and not an emancipated individual, USCB is required to notify a custodial parent or guardian not later than 24 hours after the time that the student is determined to be missing.
3. USCB will notify the appropriate law enforcement agency not later than 24 hours after the time that the student is determined to be missing.
4. If USCB DPS or law enforcement personnel have been notified and make a determination that a student who is the subject of a missing person report has been missing for more than 24 hours and has not returned to campus, USCB will initiate the emergency contact procedures in accordance with the student’s designation.
5. USCB will follow this notification procedure for a missing student who resides in university housing:
   a. Once USCB DPS receives a missing student report via any source, the following offices will be notified:
      1.) DPS Director
      2.) Vice Chancellor for Student Development
      3.) Vice Chancellor for Finance and Operations
      4.) Housing Office
6. Any official missing person report relating to this student shall be referred immediately to DPS.
7. If USCB DPS, after investigating the official report, determines the student has been missing for more than 24 hours, USCB will contact the individual identified by the student, the custodial parent or legal
guardian if the student is under 18 and not emancipated, or local law enforcement if these do not apply.

8. Upon notification from any entity that a residential student may be missing, USCB DPS may use any of the following resources to assist in locating the student. These resources may be used in any order and combination.
   a. The Housing Office may be asked to assist in physically locating the student by keying into the student’s assigned room and talking with known associates.
   b. USCB DPS may search on campus public locations to find the student (library, cafeteria, etc.).
   c. USCB DPS may issue an ID picture to assist in identifying the missing student.
   d. USCB DPS and the Chancellor for Student Development may try to contact known friends, family, or faculty members for last sighting or additional contact information.
   e. Students or academic departments may be contacted to seek information on last sighting or other contact information.
   f. USCB DPS may review card access logs to determine last use of the card and track the card for future uses.
   g. USCB DPS may access vehicle registration information for vehicle location and distribution to authorities.
   h. Computer Services/IT may be asked to review use of USCB computing systems.

9. If there is any indication of foul play, the local police department will immediately be contacted for assistance.

STUDENTS WHO ARE UNDER AGE 18 AND NOT EMANCIPATED
The University will notify a custodial parent or guardian, in addition to any other designated contact person(s) within 24 hours of a determination that the resident student, under the age of 18 and not emancipated, is missing.

LOST AND FOUND
The information desk at both campuses serve as the first point of contact for lost and found items. Found objects of value are turned over to Public Safety and students have 90 days from initial found date to claim a lost item.

PARKING ON CAMPUS
With specified exceptions, all vehicles that are parked on university property must display a current and correct parking decal. Exceptions to this requirement are university owned vehicles, and visitor’s vehicles that are either parked in the designated visitor’s spaces or that display a temporary parking permit that is issued by the USCB Police Department. All overnight visitors for students who reside in University Housing must be in compliance with the current university housing policy for overnight visitation before a temporary parking permit will be issued to them by the USCB Police Department. Rental trucks or trailers or privately owned utility trailers may not be parked in any of the USCB owned parking lots. Exceptions to this may be made on a case by case basis by officers from the USCB Campus Police Department.

PARKING DECALS
Individuals can apply for a parking decal by utilizing the USCB website. The types of parking decals are as follows:
1. FS- Issued to all current Faculty/Staff employees.
2. PV- Issued for all current students who live in university housing on Bluffton campus.
3. **HBC** - Issued for all current students who live in university housing on Beaufort campus.
4. **S** - Issued for all current commuter students.
5. **OLLI** - Issued to all students enrolled in the USCB Osher Life Long Learning Institute.
6. **CC** - Issued for all Faculty/Staff who work at the USCB Campus Center.

After receiving notice that your application for a parking decal has been approved, individuals can contact the USCB Police Department to obtain their decal. Parking decals are valid until the date of expiration, or until the individual is no longer enrolled as a USCB student or employed by the university.

**PARKING LOTS**

Vehicle parking on the USCB Campus is limited. All vehicles shall be parked as follows:

1. **Palmetto Village Parking Lot (Parking Lot D)** - Restricted to resident students with vehicles displaying a valid PV/HBC decal.
2. **Port Royal Parking Lot (Parking Lot D)** - Restricted to resident and commuter students with vehicles that display either a valid PV/HBC or S decal.
3. **Campus Center Parking Lot (Parking Lot C)** - Restricted to vehicles that display a valid Campus Center or Faculty Staff, CC or FS, parking decal.

**VIOLATIONS**

All violations of the USCB Campus Parking Regulations are enforced by USCB Campus Police Officers through the issuance of a parking ticket. Payment for all fines associated with USCB parking tickets is to be made to the Bursar's Office that is located in Room 136 of the Hargray Administrative Building. Vehicles that accumulate three (3) or more unpaid parking tickets are subject to being towed at the discretion of the officer. Prior to the return of the vehicle, the person who is the custodian of the vehicle is responsible for paying all associated towing and storage fees that are assessed by the towing company. Unpaid parking tickets will be dealt with in the same manner as all other unpaid balances on a student account.

**MILITARY BASES**

Free parking is available at both military installations. A USCB parking decal is not needed, but students must have a military pass.

**How to Obtain a Gate Pass for the Military Base**

Students should obtain a pass request letter from the USCB Registrar (Room 117A in the Sandstone Building) and present it at the base's front gate. The Marine on duty will give directions to the vehicle pass office. At the office, students must show the pass request letter, along with driver’s license, car registration and proof of insurance. Students names will be checked on a roster and the pass will be issued. If students' names are not on the list, they must call either base office at (843) 228-7499 or (843) 208-8149. Each time students approach the front gate, they must show their driver’s license. They
will wait until the Marine at the gate waves them through, and then proceed directly to class.

**Office hours of vehicle pass offices:**
**Air Station**: M-F, 6:00 a.m. to 6:00 p.m.  
(843) 228-7750
**Parris Island**: M-F, 7:30 a.m. to 5:00 p.m.  
(843) 228-2304

Be aware of these on-base regulations:
- Vehicle passes must not be transferred to another vehicle.
- Random searches are performed on vehicles.
- Cell phones are not allowed while driving on the base.
- If students don’t have a pass, military police may not allow them on base

**ACADEMIC AFFAIRS**

**ASSESSMENT TESTING OF RISING JUNIORS**
USCB is committed to the assessment and continuous improvement of its programs. To assess the effectiveness of its general education program, the university requires all degree seeking, new and transfer students to take an examination during the spring semester of their sophomore/junior year (when students have between 45 and 60 collegiate hours completed). This examination is used by USCB only to assess and improve the quality of its programs. It in no way affects the grades or status of the student in the university. Since accurate testing results are vital to the effective assessment and improvement of its programs, the university appreciates the cooperation of students with this process and asks students to make a serious effort on the examination. If a student fails to participate in a required assessment activity, a hold will be placed on the student’s records and the student will not be able to register for any future semesters until the assessment activity is completed. Students with questions should call the Office of Institutional Effectiveness and Research at 843-521-4178.

**STUDENT JUDICIAL PROCESS**
The University of South Carolina Beaufort, as an institution of higher education, accepts its obligation to provide for its students, faculty and staff an atmosphere that protects and promotes its educational mission and guarantees its effective operation. To accomplish these goals, the University requires certain standards of conduct. All students, faculty and staff at the University share the responsibility to respect:
- the fundamental rights of others as citizens;
- the rights of others based upon the nature of the educational process;
- the rights of the institution; and
- the rights of everyone to fair and equitable procedures for determining when and upon whom sanctions for violations of University standards should be imposed.

The Student Judicial Policy is the essential component for guaranteeing due process for students at
USCB. This policy describes procedures for addressing 1) violations of the Academic Code of Conduct (often referred to as the Honor Code) and 2) violations of the Non-Academic Code of Conduct, including violations by student organizations. Each of these processes is addressed in a separate section of this document.

**STUDENT GRIEVANCE PROCESS**
The purpose of the student grievance process is to furnish a student enrolled at USCB with a formal, standardized method for seeking a resolution when the student believes s/he has been treated unjustly or improperly by a faculty or staff member. A student may seek a solution to an unresolved difference with a faculty or staff member in accordance with this policy. **Grievances must be filed no later than the last scheduled final exam day of the term for which the student is appealing.**

**ACADEMIC GRIEVANCE POLICY**
A. The Academic Grievance policy and procedure can be found in the University Bulletin for the current academic year: [http://www.uscb.edu/registrar/university_bulletin/](http://www.uscb.edu/registrar/university_bulletin/)

**NON-ACADEMIC GRIEVANCE POLICY**
A. This Non-Academic Grievance Policy is designed to provide students with an opportunity to address non-academic complaints and problems that they have been unable to resolve through other channels.
B. For purposes of this policy, a grievance is defined as dissatisfaction occurring when a student believes that a condition affecting him or her is unjust, inequitable, or creates an unnecessary hardship. Such grievances include, but are not limited to, the following:
   1. An instructor’s failure to abide by university policies or failure to abide by written or stated course requirements in such a way as to adversely influence the student’s academic standing.
   2. Abusive or improper conduct on the part of the instructor or staff member;
   3. Discrimination against students by faculty or staff on non-academic matters for reasons of race, color, national origin, religion, sex, age, handicap or veteran status;
   4. Improper personal or professional behavior involving students, faculty or staff;
   5. Wrongful assessment and processing of fees;
   6. Records and registration errors.

NOTICE: Grievance procedures have been established to provide students with a forum for resolution of problems not otherwise addressed by university policy or procedure. The grievance procedure may not be used to appeal disciplinary decisions, state residency classification decisions or any other type of decisions for which a clearly defined appeal process has already been established.

**NON-ACADEMIC GRIEVANCE PROCEDURE**
The initial phase of the student grievance procedure involves a conference between the student and the instructor or staff member (the instructor’s or staff member’s supervisor may be present, provided this is agreed to by the grieving student). The conference must take place within five days of the incident that prompted the grievance. The purpose of this meeting is to attempt to resolve all differences in an informal, cooperative manner.

If the student is not satisfied with the results of this conference, then the student must schedule a
meeting with the appropriate authority—the Executive Vice-Chancellor for Academic Affairs (in the case of faculty and academic support staff) or the Vice-Chancellor for Student Development (in the case of other staff)—within five days of the conference if the student wishes to pursue the grievance. If either Vice Chancellor is a party against whom the grievance is filed, then the Chancellor of USCB shall hear the grievance. If the student is dissatisfied with the results of the meeting with the appropriate authority, then s/he may request the USCB Judicial Board to review the grievance in accordance with the procedure described below.

If the student desires the USCB Judicial Board to review the grievance, then the student must file the grievance in writing and within five days of the meeting with the appropriate authority. The student’s written grievance statement must (i) state the grievance, (ii) state why the appropriate authority’s response is unacceptable to the student, and (iii) specifically request a hearing before the USCB Judicial Board, if the student desires a hearing. The written grievance must be filed through the appropriate Vice Chancellor’s office and must contain the names of the principal parties involved in the grievance and include copies of any written materials that support the grievance. If a vice chancellor is grieved against, then the written grievance shall be filed through the Office of the Chancellor of USCB.

If a Judicial Board member is one of the parties in a grievance action, then an appropriate alternate will assume the Judicial Board member’s place on the Board.

Upon receipt of the student’s written grievance, the Judicial Board shall provide a copy of it to the faculty or staff member identified in the grievance and request the faculty or staff member to submit a written response to the Board within five days from the date of the Board’s request. If requested by the student, the Judicial Board shall schedule a hearing to be held within ten days of the Board’s receipt of the faculty or staff member’s written response. The Judicial Board shall then send written notice to the student, the faculty or staff member and the appropriate Vice Chancellor that contains the following information: (i) a copy of the student’s written grievance; (ii) the time and place of the hearing; and (iii) a statement of the principal parties’ right to bring witnesses and present evidence.

The principal parties may be present for all testimony during the hearing, shall be afforded a reasonable opportunity to present witnesses and other evidence, shall be permitted to make statements on the matters discussed, and shall have an opportunity to rebut hostile witnesses. An attorney may be present to advise the student during the hearing if the student wishes, but the attorney’s participation shall be limited to counseling the student. The attorney shall not make arguments on behalf of the student or otherwise address the Judicial Board or the witnesses during the hearing.

The Judicial Board shall meet in private to discuss the case upon the conclusion of the hearing. The Judicial Board shall decide the grievance by majority vote. The Judicial Board shall inform the principal parties and the appropriate Vice Chancellor and the Chancellor of its decision within ten days of the conclusion of the hearing. If the student does not request a hearing, then the Judicial Board shall inform the principal parties and the appropriate Vice Chancellor and the Chancellor of its decision within ten days of receipt of the student’s written grievance. The Judicial Board’s decision shall be final.
STUDENT COMPLAINT PROCEDURES AND FORM

State Authorization Reciprocity Agreement (SARA)
South Carolina participates in the State Authorization Reciprocity Agreement (SARA). The South Carolina Commission on Higher Education serves as the state’s portal agency for SARA and is the final authority for SARA-related complaints. If an out-of-state student enrolled in an SC institution via distance education wishes to file a complaint, he or she may complete and submit the Commission’s complaint form below.

Guidelines for Filing a Student Complaint
In absence of mitigating circumstances, students must submit a complaint to the Commission within two calendar years of exhausting the appeals process at the institution.

Step 1: If a student has concerns related to classroom situations or administrative actions, he/she should contact the faculty or staff member(s) with whom he/she has a conflict. It may be possible to resolve the concerns without the need for formal institutional action. However, if the student’s complaint is not resolved satisfactorily, or if the complaint cannot be resolved by contacting the faculty or staff member(s), the student should proceed to Step 2.

Step 2: The student should file a complaint through the institution’s complaint process. Information about the process can usually be found in the institution’s academic catalog, student handbook, or website. Many institutions have an ombudsman to mediate on behalf of the student. If the student is still unable to resolve the complaint, the student should proceed to Step 3.

Step 3: Investigate to where assistance may be available from other entities.

- **SC Public Technical Colleges**: Students enrolled at a South Carolina technical college should contact the SC Technical College System office.
  Website: [http://www.sctechsystem.edu/students/student-complaint-form.html](http://www.sctechsystem.edu/students/student-complaint-form.html)

- **Independent Nonprofit Institutions**: Students enrolled at an in-state independent nonprofit institution should contact the SC Independent Colleges and Universities.

- **Distance Learning**: Students enrolled in distance learning programs should contact the state
authorization agency in the home state of the institution. Each institution includes state authorization information on its website.

**The Office of the Inspector General (OIG)** is charged with investigating and detecting fraud, waste, abuse, mismanagement, misconduct, or violations of state or federal law, and wrongdoing in the Executive Branch. OIG only has investigative authority over the Executive Branch of South Carolina State Government, which includes state-supported colleges and universities.
Website: http://oig.sc.gov/Pages/default.aspx.

**Step 4:** If the complaint cannot be resolved through the above channels, the student may file a complaint with the Commission. Complete and submit the Commission’s complaint form below.

**Commission Procedures for Reviewing a Student Complaint**
- After receiving a complaint, Commission staff will review the submitted materials, and contact the complainant for any required additional information or clarifications.
- The Commission staff will then send a copy of the complaint to the institution against which the complaint has been filed and request a response, due within 30 calendar days.
- After receiving the response, Commission staff will determine whether the institution’s complaint process has been followed and exhausted and what additional steps or follow-up may be taken. The Commission may outsource the investigation to another government agency.
- If it is concluded that the allegations do not establish a violation of standards or any serious deviation of educational standards imposed by the Commission, a letter is sent to the complainant confirming this, along with a copy of the institution’s response.
- If it appears that a standard has been violated or that the institution has not complied with the
institutions established policies, staff will attempt a settlement through mediation.

- If there is evidence that the institution may no longer be maintaining minimum standards, an investigation may be made to determine other actions.
- Results of the investigation are sent to both the complainant and institution.

ACADEMIC CODE OF CONDUCT

Academic Freedom
Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Freedom to teach and freedom to learn are inseparable tenets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. The University has a duty to develop policies and procedures that provide and safeguard this freedom. Such policies and procedures should be developed within the framework of general standards with the broadest possible participation of the members of the academic community. The essential provisions for student freedom to learn include:

**Freedom of access to higher education**
While the University has the right and responsibility to set admissions policies based on the characteristics and expectations of the students it considers relevant to success in the institutional program, no student will be barred from admission on the basis of race, creed, sex, handicap, religion, ancestry or national origin. Thus, within the limits of its facilities, the University is open to all students who are qualified according to its admissions standards.

**Freedom in the classroom**
The professor in the classroom and in conference should encourage free discussion, inquiry and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

**Protection of freedom of expression**
Students should be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion. They are nonetheless responsible for learning the content of any course of study for which they are enrolled.

**Protection against improper academic evaluation**
Students should have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.

**Protections against improper disclosure**
Information about student views, beliefs and political associations which professors acquire in the course of their work as instructors, advisors and counselors should be considered confidential. Protection against improper disclosure is a serious professional obligation.
Judgments of ability and character may be provided under appropriate circumstances, normally with the knowledge and consent of the student.

**English Proficiency**
The University has established procedures to certify that all classroom activities are conducted by individuals with sufficient proficiency in spoken and written English. Student complaints concerning the English proficiency of an individual with classroom responsibilities should follow grievance procedures.

**A. JURISDICTION**
All students enrolled at USCB, whether full-time or part-time, shall be subject to the Academic Code of Conduct (the Honor Code). The Chancellor of USCB is the final authority in all matters concerning academic accountability.

The Executive Vice Chancellor for Academic Affairs is responsible for maintaining and enforcing the Academic Code of Conduct. The Executive Vice Chancellor for Academic Affairs is also responsible for executing any sanctions resulting from violations of the Code and for keeping records.

**B. THE HONOR CODE**
The first law of academic life is intellectual honesty. It is the responsibility of every member of the USCB community to uphold and maintain the high academic standards of the University. Students of the University are expected to be honest and forthright in their academic endeavors. To falsify the results of one’s research, to steal the words or ideas of another or to cheat on an examination corrupts the essential process by which knowledge is advanced.

**C. HONOR CODE RESPONSIBILITIES: STUDENT AND FACULTY**
The USCB Honor Code establishes the general standards of academic accountability for students at USCB. All members of the academic community of the University share the responsibility to advance, support and enforce academic honesty and integrity. The following obligations must be assumed by students and faculty of the University in order to meet this responsibility:

- Prepare thoroughly for examinations and assignments;
- Take the initiative to prevent other students from copying exams or assignments;
- Discourage dishonesty among other students;
- Refuse to assist students who cheat;
- Report observed cases of academic dishonesty immediately;
- Maintain the confidentiality of examinations by not disclosing any information, whether directly or indirectly, to another student still to write that same examination;
- Consult with faculty and other sources to clarify the definition of plagiarism;
- Learn to recognize techniques of proper attribution of sources used to prepare written work and identify allowable resource materials or aids to be used during examinations or completion of any graded work;
- Conduct all academic work within the letter and spirit of academic honesty, which prohibits giving or receiving unauthorized aid in the academic process;
- Discuss the issues of cheating, academic misconduct, fabrication and plagiarism at the beginning of each semester and before major exams or assignments;
- Make sure students understand the reference requirements for assigned papers and the extent
of collaboration expected or allowed on class or team projects;

- Verify faculty signatures on change of grade forms;
- Exercise caution in the preparation, duplication and security of examinations to ensure that students cannot gain improper advance knowledge of their contents;
- Specify prior to an examination or assignment what materials (books, notes, equipment, etc.) students may have in their possession or to what degree they may collaborate; and
- Prepare new exams each semester or administer alternate forms of the same exams.

D. HONOR VIOLATIONS
The following acts of academic dishonesty are considered violations of the USCB Honor Code and subject the student to disciplinary action:

Lying
Lying includes the deliberate misrepresentation of any situation or fact, in part or whole, for the purpose of avoiding or postponing the completion of any assignment, duty, test or examination in the course, internship or program.

Plagiarism
Plagiarism is the representation of someone else’s words, ideas or data as one’s own work. All work for credit that includes the words, ideas or data of others must acknowledge the source of that information through complete, accurate and specific footnote references and, if verbatim statements are included, quotation marks. By placing his or her name on work submitted for credit, the student certifies the originality of all work not otherwise identified by appropriate acknowledgments. A student will avoid charges of plagiarism if there is an acknowledgment of indebtedness:

- Whenever one quotes another person’s actual words;
- Whenever one uses another person’s idea, opinion or theory, even if this is completely paraphrased in one’s own words; and
- Whenever one borrows facts, statistics or other illustrative materials, unless the information is common knowledge

A person has committed plagiarism when he or she:

- Submits another person’s work in lieu of his or her own work;
- Submits the work, sentences, ideas, conclusion and/or examples from a source (a book, an article, another student’s paper, etc.) without acknowledging the source; or
- Knowingly aids another student in plagiarizing an assignment or allows another student or students to complete all or part of his or her course work and/or examination.

Plagiarism, even a first offence, may result in a failing grade for the course in addition to any sanctions assigned by the Honor Court.
For more information on plagiarism, please visit the USCB Library website at http://library.uscb.edu/plagarism.htm.

Bribery
Bribery involves the offering, giving, receiving or soliciting of anything of value in order to obtain a grade or consideration a student would not expect to achieve from his or her own academic performance.
Cheating
Any conduct during a program, course, quiz, examination or any other assignment which involves the unauthorized giving, receiving, offering or soliciting of information. Cheating includes, but is not restricted to, the following:

- The submission of another person’s work in lieu of one’s own work;
- Unauthorized use of laboratory reports, term papers, thesis or other written materials, in whole or in part;
- The buying, selling, theft, obtaining, using or giving of any examination or quiz prior to its administration;
- Unauthorized use of any electronic or mechanical device during any assignment or examination;
- Use of prepared materials, notes, or texts other than those specified and permitted by the instructor during an examination or quiz;
- Unauthorized collaboration on any test, assignment or project.

- Changing, altering or being an accessory to the changing and/or altering of a grade in a grade book, on a test, a “change of grade” form or other official academic records of the University which relate to grades;
- Entering a building, office or electronic system for the purpose of obtaining an un-administered test; or
- Failing to complete work on a test within the established time period as provided by the instructor.

E. DUE PROCESS FOR ALLEGED HONOR COURT VIOLATIONS

1. PRESSING CHARGES
Any member of the USCB community who has reasonable grounds to believe that an infraction of the Academic Code has occurred may report the alleged violation. All individuals pressing charges may be asked to serve as witnesses or to provide information during any hearing resulting from the charges. Infractions of academic discipline should be reported in writing to the Executive Vice Chancellor for Academic Affairs. Students accused of infractions of academic honesty will be brought before an Honor Court. The Honor Court will be appointed by the Executive Vice Chancellor for Academic Affairs and will consist of three faculty members plus one alternate and two student members plus one alternate. The Honor Court will adjudicate the case and will impose sanctions when necessary.
A student charged with infractions will be sent written notice to appear before the Honor Court at a scheduled hearing. The notice will include:

1. The general nature of the charge;
2. The time and place of the hearing; and
3. The right to be accompanied by an advisor throughout the hearing process. The advisor, with the written permission of the charged student(s) or student organization(s), may:
   i. Advise the accused regarding preparation for the hearing;
   ii. Accompany the accused to all conduct proceedings;
   iii. Have access to evidence to be introduced at the hearing.

NOTE: Advisors are not permitted to participate directly in the hearing process, or to speak for the charged student(s) or student organization(s).

A student who has violated or who has been charged with the violation of any regulation of the University may not be permitted to withdraw from the University without the permission of the Chancellor. A notation of circumstances under which the accused student was permitted to withdraw shall be entered in the minutes of the Honor Court. The withdrawal of a student with or without approval shall not deprive the Honor Court of the power to hear charges against the student. The student charged with infractions shall be present or for online courses, appear through video conferencing software for all testimony, be permitted to call witnesses on his or her behalf, be confronted by witnesses, may question all witnesses, may testify on his or her own behalf and make statements bearing on the matter under consideration.

The Honor Court Chair will introduce the case, calling first on the individual making the charge, then on the student charged with the violation.

The involved parties and/or the court may call witnesses. The court members may question all parties who may decline to answer any or all questions. After both sides have presented their cases and all testimony has been given, the court will deliberate the case. All other participants will be requested to leave. The court will reach a decision by a majority vote. Should a tie vote occur, it will be considered as favoring the student charged. If the decision is unfavorable to the student, the court will impose sanctions according to the regulations below.

Once the court has reached a decision and imposed sanctions (if necessary), the student will be informed both in person (immediately after the decision) and in writing. The results of the hearing will be forwarded to the Executive Vice Chancellor for Academic Affairs.

2. APPEALS
The initial phase of the student appeal must take the form of a written appeal within five class days of the Honor Court decision. Within twenty class days of the receipt of the student’s request, the Executive Vice Chancellor for Academic Affairs will re-examine all materials pertaining to the case and arrive at a decision. The Executive Vice Chancellor may either approve or reverse the decision of the court, or may change the sanction.

If the Executive Vice Chancellor’s decision provides no satisfaction to the student, the student may take the case to the Chancellor of USCB within five calendar days of the Executive Vice Chancellor for Academic Affairs’ decision. All materials pertaining to the case will be reviewed by the Chancellor within
twenty calendar days. The Chancellor may either confirm or reverse the decision of the Court or may change the sanction. The Chancellor’s actions are final.

3. FINAL DISPOSITION
The Executive Vice Chancellor for Academic Affairs will be responsible for implementing any imposed sanctions. The Executive Vice Chancellor will also inform the Registrar if the sanctions require any restrictions on the student’s future enrollment or actions to be officially noted on the student’s transcript. The Executive Vice Chancellor will keep records of all foregoing procedures in a confidential file.

4. SANCTIONS AND PENALTIES
In the interest of consistency, sanctions and penalties must be imposed as follows:

First Violation: Circumstances and the severity of the violation will determine the sanction. Any or all of the following may be imposed for a first offense:

1. A Letter of Warning – an official reprimand (discretionary use by the Honor Court for a first offense only). A letter of warning indicates that any additional violations may result in immediate suspension from the University.
2. Failing grade on the assignment in question – the faculty member’s prerogative.
3. Failing grade for the course – the faculty member’s prerogative.
4. Withdrawal from the course with a failing grade – an extraordinary step and only by specific direction of the Honor Court.
5. Probation. A period of review and observation during which a student is under an official warning that subsequent violations of the Honor Code are likely to result in a more severe sanction including suspension or expulsion from the University. Students on probation may be barred from participating in any or all extra- or co-curricular activities.
6. “X” on the transcript before a grade denoting an Honor Code Violation.
7. Research Project. This sanction can be assigned for the educational benefit of the student and should be related to academic integrity or ethics on the whole or in the discipline in which the offense occurred. The report is submitted to the Chair of the Honor Court.
8. Suspension from the University for a period of no less than one semester.
9. Expulsion from the University.
10. A combination of the above sanctions.

Second Violation: Either of the following sanctions may be imposed, effective immediately:

a. Suspension (for up to one academic year); or
b. Permanent suspension.

In either case, the student will receive a failing grade in the course in which the violations occurred and a “W” or “WF” in all other courses. The suspension period will begin immediately following the conclusion of the case. Although a student will not be allowed to enroll in summer school during the suspension period, summer sessions will not count as suspension periods.

Third Violation: A third violation necessitates permanent suspension from USCB.

All statements, information, or comments given during hearings will be held in strictest confidence by members of the USCB faculty, staff and witnesses before, during and after deliberation. Only duly authorized persons or faculty and staff with an educational need to know will be informed of the proceedings and outcome.
The chair of the Honor Court may make a tape recording of all judicial hearings. The charged party or parties and their advisor shall have the right, upon request, to listen to the recording in the presence of a staff member of the Office of the Executive Vice Chancellor for Academic Affairs.

The charged student may request a duplicate copy of the recording at his/her own expense within a period of six months from the date of the hearing.

After the hearing, the Executive Vice Chancellor of Academic Affairs shall be responsible for forwarding the written decision of the University Honor Court to the charged party or parties. The letter from the Honor Court shall consist of a statement of charges; findings of the hearing authority and the rationale for the findings; sanction(s) and the rationale for the sanction(s); and a statement regarding the right to appeal and the appeal procedures.

Students found responsible shall have five class days from the date the decision letter is sent to submit a written request for an appeal. If there is no appeal within this time limit, the Executive Vice Chancellor of Academic Affairs shall implement the decision.

The request for appeal shall be by memorandum addressed to the faculty chair of the Honor Court through the Executive Vice Chancellor of Academic Affairs. The memo must state the reason(s) for believing the decision of the original hearing authority to be improper.

**MILITARY DEPLOYMENT**

This policy addresses situations in which currently enrolled students in the National Guard or Armed Forces Reserves are placed on active duty by order of the President of the United States or the Governor of their state during a national or state emergency. This policy also applies to active duty military personnel who are reassigned during a time of national emergency, as declared by the President of the United States.

For purposes of this policy the President of the University may also invoke the provisions of this policy. The general University policy for students serving in the National Guard or Reserves who are called to active military duty or active duty military personnel who are reassigned during a time of national emergency during an academic term is to provide a full withdrawal from the University without academic or financial penalty (grade of “W”, 100% refund) and to suspend the normal policy of converting grades of incomplete to grades of “F” after twelve months. This policy will apply only to courses in which the student is enrolled at the time that he or she is called to active duty.

**Procedure**

All students requesting special consideration regarding their call to active military duty or reassignment of duty must provide full written verification through the submission of their orders or alert notice. This notice must be submitted to the Vice Chancellor for Student Development along with a statement requesting relief from academic or financial penalty. Students intending to withdraw from all courses and secure a grade of “W” should be referred to the Vice Chancellor for Student Development. This step is essential to receiving special consideration in accordance with this policy. Students enrolled in one or more courses who do not wish to withdraw from all courses, but wish to negotiate with their instructors for a combination of grades, incompletes, and/or “W”’s, should likewise be referred to the Vice
Chancellor for Student Development. “WF”’s shall not be assigned to students called to active military duty. After the Vice Chancellor documents an individual’s military call-up status in writing, the student will be informed of his or her options and given a statement verifying his or her status, which should be presented to the Executive Vice Chancellor for Academic Affairs. A copy of the statement and all supporting documentation should also be sent to the Registrar. Students opting for “W” grades may secure from the Registrar an Extenuating Circumstances form (Request for Assignment of “W” Grade for Extenuating Circumstances after Penalty Date, AS122A). The completed Extenuating Circumstances form should be returned to the Executive Vice Chancellor for Academic Affairs for final approval and then forwarded to the Registrar’s office. The student will be issued a complete refund for each course for which a grade of “W” is received. Except for withdrawals, it will be up to each instructor to assign a letter grade or an incomplete (“I”) consistent with applicable departmental, college and University policies. If an incomplete grade is assigned, an Assignment of Incomplete Grade form (AS-5) must be completed.

Special care should be exercised by the student and the instructor to state clearly and specifically the “Conditions for Make-Up” at the bottom of this form. This specificity will protect the instructor and the student from miscommunication and will serve as a contract for the completion of the course. The normal policy of converting grades of “I” to grades of “F” after twelve months is suspended for students in this category. The student may complete the work for up to twelve months after release from active duty or return from active duty reassignment. Copies of military orders must be provided to the Registrar before the extension will be granted. The Registrar will monitor the application of this policy suspension. If an undergraduate student fully withdraws and remains absent for more than one major (16 week) semester, the student must apply for readmission with waiver of any application fee and will be given every consideration for readmission in the same academic status as at the time of the withdrawal. Students seeking readmission should refer to the procedures for “Readmission of Former Students” as stated in the Undergraduate Studies Bulletin. Students who present unique problems not covered by this policy should contact the Vice Chancellor for Student Development.

BUSINESS AND FINANCIAL INFORMATION

REFUNDS

The University will refund all or part of academic fees in certain cases.

1. Change in a student’s residency status within the academic year. (All requests for refunds are limited to the current academic year for which the refund is requested. Refunds may be requested at any time during the academic year in which the applicable terms occur. Residency applications must be completed before the end of the academic year for which a refund is requested. The academic year begins with the fall terms and ends with the last summer session.)

2. Dropping of one or more courses from full-time to part-time status; or if part-time, a schedule change that results in fewer credit hours.

3. Withdrawal from the University.

4. Cancellation of a class by the University.

Refunds are initiated by dropping or withdrawing from courses. If a refund check is due, it will be issued from the USC Columbia campus approximately four to six weeks from the drop or withdrawal date. Refunds are not issued to credit cards. They will be mailed to the home address on record, or sent electronically to a student’s bank account if the student has selected this option on Self Service Carolina. For the complete refund policy, please consult the USCB 2014-2015 Bulletin at
Title IV Funds (Federal Student Aid) Refund Policy
The refund policy for students who have received Title IV funds and withdraw from the University differs from that stated above. Federal financial aid funds are awarded with the expectation that students will complete the entire period of enrollment. Students “earn” a percentage of the funds that are disbursed with each day of class attendance. When a student who has received federal aid funds (Title IV Funds) leaves school before the end of the semester or a designated period of enrollment, federal regulations require the University of South Carolina to calculate the percentage and amount of “unearned” financial aid funds that must be returned. Once a student has completed more than 60 percent of the enrollment period, all funding received is considered to have been earned. This calculation may have the effect of requiring the student who withdraws before this time to repay funds that have already been disbursed or credited toward the current account for tuition and fees. Students are encouraged to meet with a counselor in the financial aid office, or the appropriate office on their campus, prior to making a decision to withdraw from school.

FINANCIAL AID DISTRIBUTION
All federal, state, institutional and private financial aid funds are disbursed through the Bursar’s Office. Disbursements for the current term will begin 10 (ten) days prior to the start of classes. After all fees have been paid, overage checks will be direct deposited to the account the student has designated. If a student does not have a checking account, the check will be mailed to the address on record. Electronic deposit of overage checks is available by signing up for an eRefund on the student’s Self Service Carolina Account at https://my.sc.edu. Electronic deposits normally take 24 hours, but could take up to 72 hours.

REFUND SCHEDULES
There are different refund schedules for dropping one or more classes, and for completely withdrawing from USCB. There are also different schedules for the sixteen-week and eight-week classes. Please consult the refund calendar or contact the Bursar’s Office with any questions regarding a refund. Refund schedules are available online at www.uscb.edu (Campus Life/Student Services/Bursar/Tuition and Fees).

APPEALS PROCESS
A process for refund appeals exists for students who believe circumstances warrant an exception from published policy. A Refund Appeals Committee meets once a month to review and respond to all appeals.

ACCOUNTS RECEIVABLE
The Bursar’s Office is primarily responsible for the collection of all University student account receivables. The Accounts Receivable staff will help with any questions students may have about their account balances. Current term fees can be paid through SSC (SELF SERVICE CAROLINA), by mail or in person at the Cashier’s Office. Checks should be made payable to the University of South Carolina. All checks are processed and deposited immediately upon receipt. Credit card payments can be made only on the Web, using SSC (SELF SERVICE CAROLINA). Electronic payments via check may also be processed on SSC (SELF SERVICE CAROLINA) with no additional fees.
DELINQUENT STUDENT COLLECTIONS
All delinquent debt is handled by the Bursar’s Office. This includes past-due tuition, Title IV debt, returned checks, parking fines and other University delinquent accounts. Students have ten (10) business days to clear an obligation once incurred. Obligations outstanding after ten (10) days will be considered delinquent. Failure to pay an outstanding student receivable will result in a hold on the student’s account. If a delinquent debt goes unpaid, it may be turned over to a third party collection agency. The student will be unable to request transcripts, receive grades, or register for future terms until the debt is paid in full. Please contact the Bursar’s Office to check the status of delinquent obligations. The student must satisfy the conditions of the financial hold in order to have it released.
