University of South Carolina Beaufort
Quality Enhancement Plan
2019-2024

This strategic faculty-led initiative of USCB has as its goals:

1. **Enhance** and expand experiential research and service learning opportunities for students across all disciplines.

2. **Collaborate** with local organizations to engage students in research that affects community-based project outcomes.

3. **Integrate** knowledge learned from these experiences into curricula and facilitate classroom and community-wide discussions.
